Careers Newsletter

1st May 2019

WHAT'S HAPPENING?

Welcome back from school holidays, we hope you enjoyed a well deserved break. Here is a summary of what you will find in this issue of the Careers Newsletter. Scholarships options and application deadlines, preparation for getting into medicine, careers insights, transition year programmes, Auckland University dates and resources, information about a career in IT and the Auckland Careers Expo featuring New Zealand School of Tourism.

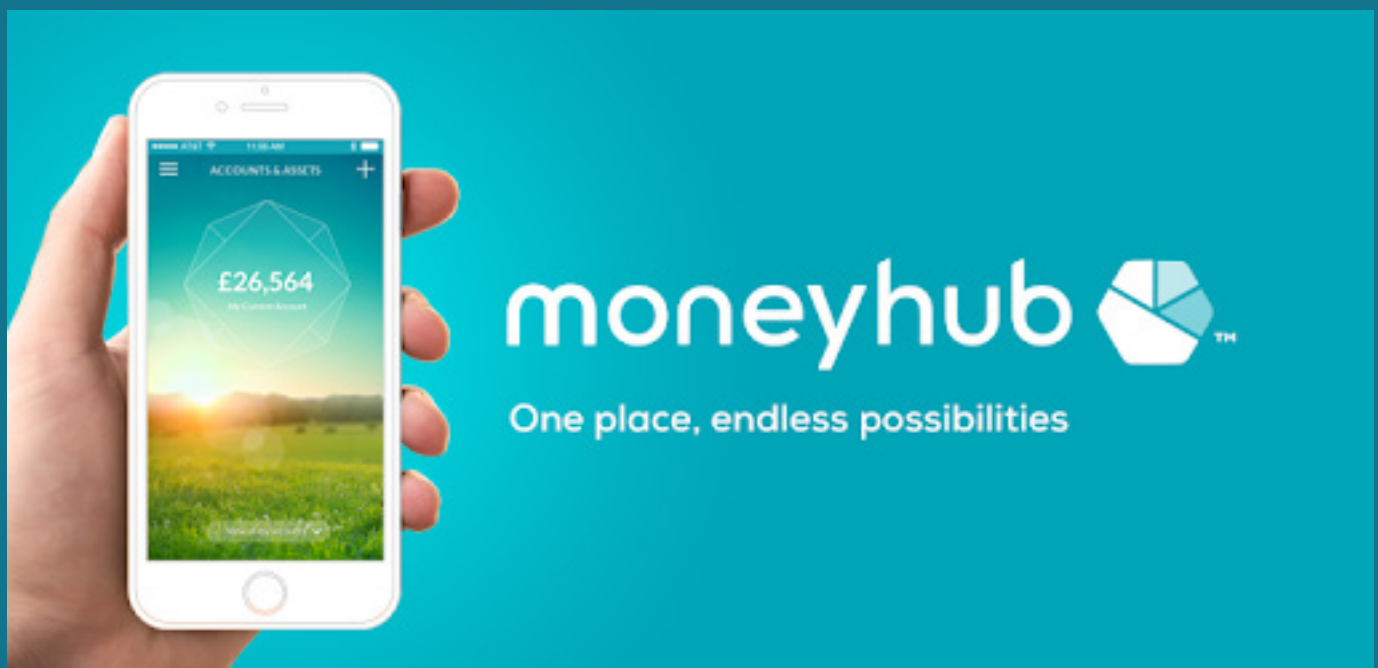

Two kinds of people when going back to school 😭😭😭

University Scholarships for Year 13 Students

MoneyHub, a consumer finance website, has published a guide to hundreds of scholarships for any student planning to start university in 2020. The comprehensive list includes scholarships offered by every university as well as those specifically available to local students. A list of privately-funded, Maori, Pacific and International university scholarships completes the list. Applications close throughout the year, with tens of millions of dollars available. MoneyHub has also published a list of tips for scholarship success. For more details and to find suitable scholarships, visit the MoneyHub Scholarship page

The scholarship page is free to use and always will be. Unlike GivMe, students can access the information at home and on their mobiles etc. We have published a number of tips for application success as well, designed to make the application process less stressful for your students.

Kia ora,

MedView is an organisation that specialises in student consulting for those who wish to gain entry into medical school. We understand the value of a holistic and diverse event that teaches students important tips and tricks, whilst inspiring a future career path in medicine. This is what we intend to communicate with this event.

For the first time, MedView will be hosting in Auckland, a medical school admissions seminar called "Get into Med" for students and parents in Auckland and surrounding areas. This unique event will give students (and parents) an opportunity to learn valuable medical school admissions information, speak one-on-one with medical students, and put themselves on a path to a successful career as a doctor.

Details

When: 14th April, 2019

Where: Kings Lounge, Eventfinda Stadium, 17 Silverfield Lane, Glenfield, 0627

Who: students and parents interested in medicine, years 10-13

Registration: FREE for prospective medicine students, and for parents/guests

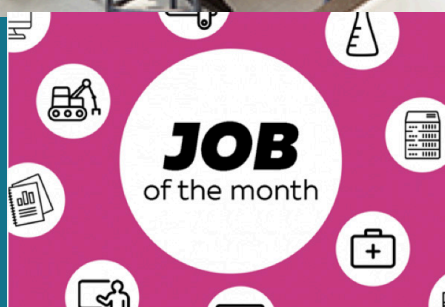

--> register online at <http://bit.ly/MedAucklandApril>

Get into Med: first steps to becoming a doctor will deep-dive into the world of medical school admissions. Presented by current medical students, the 2 hour program entails:

- Do you really want to be a doctor? We'll do a full-body CT scan of the rationale, motivations and reasoning of why people decide to study and practice medicine, and look beyond the media and societal representations.
- We'll dissect the requirements of medical schools, and give you a sneak peek at the curriculum so you know what you'll be studying.
- Understanding the 3 major admissions parameters used in medical schools across Australia and New Zealand is critical for entry. We'll prescribe the strategies for optimising:
 - 1) Entrance exams: UCAT or GAMSAT
 - 2) Academic performance thresholds: High school or Uni
 - 3) Medical interviews
- How do you get there? We'll stitch together tips and tricks to avoid the medical school offer slump, including ways to make you stand out from the crowd.

I'm passionate about community engagement, and I enjoy showing students the future possibilities of a medical degree. This is truly a unique event, and we are very excited to be launching it in Auckland.

FUTURE LEADERS

TRANSITION YEAR PROGRAMME

Do you know any ambitious Year 13 students looking to leave school early and start their career? Or any talented former students who are still deciding their next step? If they've got leadership potential, we might have the perfect opportunity for them!

Similar to an apprenticeship, our Supply Chain Industry Cadetship offers young people a more hands-on entry into the workforce than tertiary study, and the best part is – it's FREE!

A brief overview:

Only 12 spaces available for the Auckland region

4 week Cadet Preparation Course at our premises in Wellington

Food, accommodation, travel and course costs all covered

1 week Workplace Transition Module

Full-time employment under a 2 year Cadetship

Ongoing support and mentoring from both Future Leaders and employers

Range of employers - anyone from small local logistics companies to large international organisations like Harvey Norman and Coca-Cola Amatil

Shifting job roles to gain exposure to different areas - anything from warehouse operations or logistics to health and safety or project management

THE OUTLOOK FOR SOMEDAY

Young People + Film + Sustainability

Kia ora koutou,

Our free, one-day filmmaking workshop series for 2019 is kicking off very soon, *are you registered?*

All **Someday Workshops** are open to young people interested in film and/or sustainability, click [here](#) to register or call us on 09-827-6050.

Our first workshops this year is for Pasifika students and will be run by top talent Jeremiah Tauamiti of [Malosi Pictures](#). Jerry is just back from Germany where he and his partner Vea Mafile'o premiered their film *For My Father's Kingdom* at the Berlin Film Festival.

Workshop facilitator Jeremiah Tauamiti is a feature film-maker

You don't need any special equipment to do a Someday Workshop; you are welcome to bring a smartphone, camera or iPad but equally you can use our gear.

Someday Challenge 2019

The **Someday Challenge 2019** is on! This is open to everyone up to age 24 (not just those who can make it to a Someday Workshop).

Last year, winners came from all over Aotearoa. Some had entered the Someday Challenge previously, others were completely novices. Like the team of eco-warriors from Maeroa Intermediate in Hamilton – what amazing talent!

Click [below](#) on the image of the Maeroa team to watch their winner's interview with [Red Carpet TV](#).

If you or a friend, classmate, student or neighbour is interested in filmmaking and/or sustainability, be brave and take up the Someday Challenge - and encourage them to do the same!

What's it all about?

The challenge is to create a short film, up to five minutes, on a theme of sustainability - human, social, economic or environmental.

Who's it for?

All young people of Aotearoa up to 24.

Guidelines

Use any camera, choose any genre, and explore any topic relating to sustainability.

Deadline

Friday, August 30th

Please note this is earlier than in previous years.

Awards

Winners are invited to a glittering awards ceremony in Auckland where they can connect with filmmaking peers and meet industry professionals.

Any questions?
