2. YOOBEE School of Design

YooBee School of Design Open Day THIS Friday and Saturday.

Friday 30th June 12pm-3pm

This time slot would be ideal for you to come along yourself if you've ever wanted to check out our school, as it's a normal day for our students with classes running and available for viewing.

Our team will be on-hand to answer questions, we will show people around campus, and will hold a presentation about our courses at 1pm.

You can come anytime between 12-3pm though and stay however long you like.

Saturday 1st July 10am-1pm

If you can't make the Friday then you could come to the Saturday Open Day, where it will be an exhibition style event.

Student work will be on display to check out, along with our Tutors who will be on-hand to answer any questions.

We will be showing people around our campus and discussing our courses.

Again, you can come anytime between 10am-1pm and stay however long you like.

GET IN TOUCH

For further details and/or bookings visit our website yoobee.ac.nz, or email marina.makes@yoobee.ac.nz, or phone 0800 66 55 44.

YOOBEE
SCHOOL OF DESIGN

FILM, 3D MODELLING, PHOTOGRAPHY,
PHOTOSHOP, GAME DEVELOPMENT,
ANIMATED GIF WORKSHOP

YOOBEE
SCHOOL OF DESIGN

GIVE YOUR BRAIN A CREATIVE INJECTION

Our School Holiday Programmes offer high school students a great opportunity to get creative, have fun and learn new skills in the ever-changing world of design. And, remember that because Yoobee is an MoE-authorised tertiary provider, you can use STAR funding to send students on these courses.

INTRODUCTION TO PHOTOSHOP

13th □ 14th July 2017 | \$140

Want to be a graphic designer?

Using Adobe Photoshop you'll learn how to create your own designs and make them communicate using principles of typography, hierarchy, styling and layout. This special two day course will take students even further into the world of Graphic design.

FILM PRODUCTION

17th – 20th July 2017 | \$280

Here's an opportunity to make a short film, music video or a documentary over the holiday break!

You will learn about planning, story-boarding, filming, directing and editing a short clip using Adobe Premiere Pro, with the opportunity to add some exciting visual effects in Adobe After Effects. See your final production projected in a screening, and receive feedback from some of Yoobee's specialist tutors.

3D MODELLING

17th □ 19th July 2017 | \$210

In this exciting three day workshop you'll be taken through the 3D modelling process by one of our expert 3D modellers! You'll be using Autodesk Maya, the industry standard application for 3D modelling animation in the film and television industry.

Over the three days, we will give you a variety of pre-developed character sheets to choose from, then we will take you through the process step-by-step of turning the concept artwork into a 3D model.

This is a great way to test your interest in 3D modelling, animation, and game art and development.

GAME DEVELOPMENT

15th, 16th, 22nd & 23rd July 2017 | \$280

One of the fastest growing global industries, game design and development skills are highly sought after both locally and internationally.

Get a feel for the process and personalise assets for your own game-from modelling and texturing assets, through to placing your content into a game engine environment-this course is an awesome introduction to an exciting industry.

PHOTOGRAPHY TECHNIQUES

15th □ 16th July 2017 | \$140

Have a passion for Photography?

In this exciting two-day workshop you'll be taken through the process of developing your Photographic vision. Working through techniques of how to get the best out of your camera, and also the best out of lighting and environment. Receive feedback from one of Yoobee's specialist tutors.

Bring your own DSLR camera.

ANIMATED GIF WORKSHOP

22nd July 2017 | \$70

Are you a fan of those animate GIF images seen on Facebook, twitter and other Social networking sites? Now's your chance to learn the skills needed to make your own!

In this one day workshop, you'll discover how to use Photoshop to create your very own animated images that you can share online. You'll learn photos editing, working with fonts and texts, layer styles, basic 2D animation skills and a whole lot more.

IMPORTANT

GATEWAY STUDENTS: Life Care First Aid course reminder

You are required to be in school uniform.

Where: Elim Christian College, room 24

159 Botany Road, Botany Downs, Auckland

TASTER DAYS

1. University of Auckland

Be an engineering student for a day! **Last chance to register**

We welcome **Year 13 girls** who are taking Calculus and Physics to find out what it's like to be an engineering student at the University of Auckland.

Before registering, please be aware that:

- All attendees will be expected to stay for the whole day.
- We will provide morning tea, but students will need to make their own lunch arrangements.
- Students must be registered by their school using the online form below.
- Students must choose their top three groups, and we will endeavour to allocate them all into their top choice. [Download the event programme here](http://www.engineering.auckland.ac.nz/en/for/futureundergraduates/fu-women-in-engineering/engineuity-day.html) and please distribute to your students.

You will have an opportunity to register after 29 June if there are extra places available.

Thursday 6 July 8.30am - 3pm
Faculty of Engineering - The University of Auckland
20 Symonds Street, City Campus

<http://www.engineering.auckland.ac.nz/en/for/futureundergraduates/fu-women-in-engineering/engineuity-day.html>

2. International Training College

The courses below take place during the school holidays. Contact Mrs Narayan or Mrs Symons urgently if you would like to attend any of these. These are mainly level2, but there are some level 3 credits.

Customer Service Short Course – 7th July (Term 2) – City Campus

We have an opportunity for any student to participate in the Customer Service short course which includes Unit 57 – Provide Customer Service on the 7th July. We have **19 spaces left** on this course. This is a part of the Level 2 Travel and Tourism qualification and is going to enlighten any student about the importance of exceptional customer service. Meeting an expert in the industry and lunch is included in this day.

Flight Attending Short Course – 11th & 12th July (School Holidays) – City & Botany Campus

We have only **10 spaces available in the City** and **21 spaces available at our Botany Campus**. If any of your students will benefit from knowing the role and reality of being a Flight Attendant, then this one is for them. They will participate in role play activities using real on-board equipment in our Airport Training Centre on Campus.

Adventure Short Course – 13th & 14th July (School Holidays) – City Campus

We have **13 spaces left** on our Adventure Short Course. In two days, students will develop their communication, public speaking skills and also will understand the exciting range of opportunities in the Adventure Tourism sector. In the first day they will participate in the 100% practical assessment and learn how important the safety aspects are of the industry and then on their final day actual participate in a full Bridge Climb and Bungy with Auckland Bridge Climb and Bungy!

Travel Short Course – 17th, 18th, 19th & 20th July (School Holidays) – City & Botany Campus

We have **8 spaces left at our City Campus** and **15 spaces left at our Botany Campus**. This course covers 3 very generic assessments to help the student understand cultural diversity, customer service and the importance of excellent communication in the workplace. Not only is it a great taste of tertiary life but also a great way to earn 9 credits at level 3!
