LAIDLAW COLLEGE

STUDENT FOR A DAY

Laidlaw College offers a “Student for a Day” programme and invites interested people on to campus in Manukau or Henderson to sit in on lectures and get a taste of tertiary life at Laidlaw. This can be arranged with the Student Admissions staff at a day or time to suit by calling 0800 999 777.

Visit www.laidlaw.ac.nz for more info.

UNIVERSITY OF AUCKLAND

The Faculty of Engineering would like to invite **high school girls and their whānau** to *Engineer Her Future*, a fun and information evening with presentations and discussions featuring both staff and students.

Highlights of the evening will include a mini-lecture from one of our popular female professors, a Q&A with a panel of current students, and a chance to learn about what life will be like as an Engineering student at the University of Auckland. There will also be time for questions and mingling with current students over refreshments at the end of the evening. This is a great chance for students to find out what engineering is, and discuss whether it might be the right pathway for them to follow. Teachers are also most welcome to attend.
