## AUCKLAND UNIVERSITY OF TECHNOLOGY

### **AUT School Leaver Scholarships 2019**

In 2019 AUT School Leaver Scholarships are available under the categories below. These categories are the same as those offered for study in 2017 and 2018.

**Academic Excellence:** Awarded to students demonstrating leadership through academic excellence.

**Significant Student:** Awarded to academically able students demonstrating leadership through achievement at a high level in school, sporting, cultural pursuits or community involvement. Applicants under this category must hold leadership positions and/or be active in cultural pursuits or sport at a representative level.

**Kiwa:** Awarded to Maori and Pacific students demonstrating all-round ability and leadership potential. Applicants applying under this category must declare that they are of Maori or Pacific descent and also declare their ethnicity.

**New Horizons:** Awarded to academically able students who can demonstrate leadership potential from Auckland Region Decile 1-4 schools.

Application is through the AUT Scholarship Application Portal and students are encouraged to indicate all categories for which they are eligible within the portal. Full details about eligibility are available from: [www.aut.ac.nz/study/fees-and-scholarships/scholarships-and-awards-at-aut/secondary-schools-scholarships](http://www.aut.ac.nz/study/fees-and-scholarships/scholarships-and-awards-at-aut/secondary-schools-scholarships)

The value of the scholarship is \$6,500. Due to the Government's Fees-Free policy for first year students this will be paid towards accommodation or as a living allowance paid in three instalments throughout the year.

The only change for 2019 is that the scholarship will initially be for one year only. Recipients of these scholarships who pass all papers and meet the eligibility requirements at the completion of their first year will then apply within the AUT Scholarship Application Portal for the AUT Undergraduate Scholarship (Fees) available for all subsequent years of study at AUT. The undergraduate scholarships will also be available in the categories listed above.

Information: Email: [scholars@aut.ac.nz](mailto:scholars@aut.ac.nz) or Phone 09 921 9837.

## UNIVERSITY OF OTAGO

### College of Education 2019 - Applications opened on the 1<sup>st</sup> May 2018

- **Bachelor Of Arts – Education**

Topics covered include: educational psychology (how children, young people, and adults learn), and cultural, social, and political influences that have shaped education systems and curricula both nationally and internationally. The study of gender, disability, Māori education, and ICT also feature in undergraduate study

- **Early Childhood Education**

In this three-year programme, you will explore education theory, professional practice and curriculum studies, within the context of early childhood education in Aotearoa New Zealand. You will have some opportunity for specialist subject studies and a minimum of 23 weeks' teaching experience in a variety of early childhood settings

- **Primary Education**

This three-year programme addresses professional teaching issues, subject knowledge, education theory, practical teaching experience, and the requirements of the New Zealand Curriculum. During your degree, you will have a minimum of 23 weeks' teaching experience in a range of settings. Offered in Dunedin and Invercargill.

- **Secondary Education**

A one-year programme for people who have already graduated with a university degree (360 point, level 7) or approved equivalent. You will take six compulsory papers addressing pedagogy, curriculum studies, evidence-based inquiry, and diversity and inclusion, and spend approximately half of your programme time in schools under the guidance of a mentor teacher. A B+ grade average in the final year (300 level) major subject requirement of your undergraduate degree or in the course components of a postgraduate qualification is required for admission

Please note: To teach in the secondary sector, applicants must have completed papers in their proposed teaching subjects, to specified levels. For further information, please see the secondary curriculum subjects table at the end of this document and consult the Secondary Programme Coordinator if necessary.

**All study, application and administration information is on the college education website:**  
**[otago.ac.nz/education](http://otago.ac.nz/education)**

**Scholarships:** [otago.ac.nz/study/scholarships](http://otago.ac.nz/study/scholarships) OR [teachnz.govt.nz](http://teachnz.govt.nz)

**Fees:** [otago.ac.nz/study/fees/](http://otago.ac.nz/study/fees/)

**International Students:** [otago.ac.nz/international](http://otago.ac.nz/international)

## REACH SCHOLARSHIP

**Applications Open : 10 May Applications Close: 15 June**

R.E.A.C.H (REACH): Realising Educational Aspirations for Careers in Health, is a scholarship for Year 13 Māori secondary students interested in a career in health. The REACH Scholarship provides a fully funded opportunity for Year 13 Māori students to spend three nights and two full days on the Otago University campus exploring health science degree options. Flights, transfers, food and accommodation in a University of Otago Residential College are included. REACH will help you gain an understanding of 'life' on campus and learn about health science study and degree/career options at the University of Otago. You will participate in hands-on learning including lectures, labs and 'tutes', visit several of the University of Otago's Residential Colleges and meet key Māori contacts on campus.

**Eligibility:** Applications are sought from full time Year 13 students of Māori descent, who are currently enrolled in a New Zealand Secondary School and are considering studying at the University of Otago the following year. All applicants should be students who are completing their final year of secondary schooling and are likely to gain University Entrance (UE).

**Application Process:** Every student must submit a completed application AND a confidential reference (from either their Principal, Deputy Principal, Assistant Principal or Year 13 Dean) via the online application tool at: [www.otago.ac.nz/mhwdu/tearahauora](http://www.otago.ac.nz/mhwdu/tearahauora)

**Selection Process:** Criteria for selection includes: \* The quality of the REACH Scholarship application \* Interest in a career in health \* Commitment to Māori development \* Academic ability \* The MHWDU's strategic priorities relating to access and opportunity for Māori

Decisions made regarding the selection of students for the REACH Scholarship are final and no correspondence will be entered into. The University of Otago's Māori Health Workforce Development Unit wishes to acknowledge the support received from the Ministry of Health.

FOR MORE INFORMATION PLEASE CONTACT: REACH Scholarship | Māori Health Workforce Development Unit | Division of Health Sciences | University of Otago PO Box 56 | 71 Frederick Street | Dunedin 9054 Tel: (03) 470 3593 Email: [reach@otago.ac.nz](mailto:reach@otago.ac.nz)

### **Medical School:**

The University of Otago is aware that MedView and Crimson Education are approaching schools and have offered a presentation for students about preparation for, and entrance into, medical school.

While schools, students and their families are obviously free to exercise their own judgement on where to seek information from, it is important that you know that the University of Otago does not endorse the advice provided by third party commercial entities on preparing for entry to medical school. We strongly recommend that any students needing information about Otago's medical school contact either the Schools' Liaison team or our Health Sciences Admissions office team for any advice.

Email - [health-sciences@otago.ac.nz](mailto:health-sciences@otago.ac.nz)

## UNIVERSITY OF AUCKLAND

### **First-year and school leaver scholarships**

## PILOT

Year 12 PILOT Programme 2018

**PURPOSE:** To empower our Year 12 Students further to recognise their leadership qualities and help shape your nets of leadership influence.

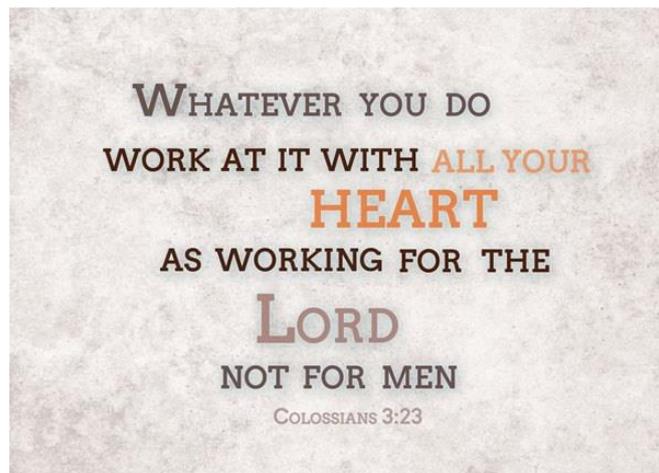

Using the acronym TAKI (Tongan for 'LEAD'), we will explore how our Year 12 Students can TAKE THE LEAD in their Year 12 journey.

T TALANOA - A chance to talk and get to know one another as peers. A ASPIRE - Gain exposure to the different study/career pathways available to you. K KNOWLEDGE - These workshops have been designed to help give you knowledge to further develop your leadership skills. I INTERACT – Interact with your peers and piece together what you have learnt throughout the day.

Session One: Ice-breakers Guest Speaker 'Teu Le Va: What is your Brand?'

Session Two: Workshop Rotations Workshop #1 (Aspire): Scholarships/Vocational Pathways  
Workshop #2 (Knowledge): Wellbeing and Stress Workshop #3 (Interact): COMMS 101 Teacher's Workshop

Session Three: Panel Evaluations

If you are interested in any of these events and/or courses and would like further information please see Mrs Narayan in the Admin Office at the Botany Campus.

Please also feel free to visit the Careers Room to pick up any brochures.
