The University hosts a range of events on a daily basis including seminars, workshops and public events. These cater to a wide range of audiences, from schools principals, careers advisors, staff and students, through to other related industry and members of the community. The public lectures provide an opportunity to hear from University and visiting academics about their latest research or areas of expertise. We also have student events throughout the year to encourage a sense of community and camaraderie.

Whether you have a personal or professional interest we invite you to check the latest events via the link below. We will be sending this email on a regular basis to ensure you have access to the latest information within our University.

WHAT IS REACH?

REACH SCHOLARSHIP

Applications Open : 10 May

Applications Close: 15 June

R.E.A.C.H (REACH): Realising Educational Aspirations for Careers in Health, is a scholarship for Year 13 Māori secondary students interested in a career in health.

The REACH Scholarship provides a fully funded opportunity for Year 13 Māori students to spend three nights and two full days on the Otago University campus exploring health science degree options. Flights, transfers, food and accommodation in a University of Otago Residential College are included.

REACH will help you gain an understanding of 'life' on campus and learn about health science study and degree/career options at the University of Otago. You will participate in hands-on learning including lectures, labs and 'tutes', visit several of the University of Otago's Residential Colleges and meet key Māori contacts on campus.

Eligibility:

Applications are sought from full time Year 13 students of Māori descent, who are currently enrolled in a New Zealand Secondary School and are considering studying at the University of Otago the following year. All applicants should be students who are completing their final year of secondary schooling and are likely to gain University Entrance (UE).

FOR MORE INFORMATION PLEASE CONTACT:

REACH Scholarship |
Māori Health Workforce Development Unit |
Division of Health Sciences | University of Otago
PO Box 56 | 71 Frederick Street | Dunedin 9054
Tel: (03) 470 3593
Email: reach@otago.ac.nz

Application Process:

Every student must submit a **completed application AND a confidential reference** (from either their Principal, Deputy Principal, Assistant Principal or Year 13 Dean) via the online application tool at:

www.otago.ac.nz/mhwdu/tearahauora

Selection Process:

Criteria for selection includes:

- * The quality of the REACH Scholarship application
- * Interest in a career in health
- * Commitment to Māori development
- * Academic ability
- * The MHWDU's strategic priorities relating to access and opportunity for Māori

Decisions made regarding the selection of students for the REACH Scholarship are final and no correspondence will be entered into.

The University of Otago's Māori Health Workforce Development Unit wishes to acknowledge the support received from the **Ministry of Health**.

Scholarships update:

There have been some changes in our scholarships office this year, and we are currently working on making scholarship applications available online. With this in mind there will be a delay to our previously advertised opening date for scholarship applications – applications will now be open after Queen's Birthday weekend. We will be in touch again closer to the time with more confirmed details of the application process, and in the meantime please see our scholarships slide attached with details of what will be available for your students to apply for.

Sorry for any inconvenience that this may cause, but we are hopeful that by delaying the opening date we will be in a position to provide a much improved application process and experience for you and your students.

Also one last update – for those who have students interested in the Vet Open Evening on 6th August, this is now part of the registration page for PN Open Day, so please direct them to register.
