We require a lot of parental assistance with supervision of the rotation groups and running of the events, to make this day a success. If you are available to help for the day, please advise on the permission form below – thank you! Parents are welcome to attend this event as supporters.

Students may wear their house colours, but they need to wear sensible clothes that they can compete in. They will need to bring their school bag with a packed morning tea and lunch, a water bottle, hat, jacket and sunblock - they will keep this bag with them for the day.

Students cannot leave/be picked up from the venue before 2:30pm unless arranged prior to the event.
