Toys to be handed in to your pastoral care
teachers

The highlight of our school year is upon us again! Hosanna Week officially kicks off in Week 5 (Monday 19th – Friday 23rd August) at the Golflands Campus for Year 0-6. COMMUNITY is our focus. God calls us to serve others and we want to give an opportunity for our students to “pay it forward” to children with a real need.

In Week 3 and 4, we will be collecting items for Starship Children’s Hospital and Te Whakaora Tangata Trust – supporting vulnerable families in South Auckland. Students and their families can support our Hosanna Week project by bringing the following items to school:

- Empty shoeboxes (with a lid)
- Sterilisable toys such as Lego, Rubix cubes, fidget spinners, plastic cars, etc.
- Pre-loved toys (in good condition) such as teddy bears, stress balls, soft dolls, puzzles, books, etc.

For inquiries, please email:

We will be working collectively in Week 5 to make parcels to send to children along with a special message of encouragement and hope. We hope you will partner with our school to be the hands and feet of Jesus Christ to our community.
