Dear Parents / Whānau / Caregivers

KEEPING OURSELVES SAFE

Keeping Ourselves Safe is a part of the Health and Physical Education learning area of the NZ Curriculum. The Keeping Ourselves Safe [KOS] programme from the NZ Police consists of a comprehensive range of child protection resources to help students learn and apply a range of safety skills when interacting with others.

Here at Elim Christian College, as with all subjects, this is taught from a Christian worldview. Our teachers use the resources from the NZ Police website but adapt them very specifically for our Golflands Campus students.

We would like to inform you that Year 2-6 will be covering the topics in this programme during Term 3. There is information, advice and resources available for parents / whānau on keeping our children safe in a variety of situations on the website, which you can access via the link below.

Please do not hesitate to contact the Team Leaders or myself if you have questions concerning this unit.

Yours sincerely

Ms Angela Rees

Assistant Campus Lead Golflands
