Dear Parents/Caregivers

Interact Club Murder Mystery Night – “Set Sail for Disaster”

Our school Interact Club is a Rotary-sponsored club who organise community service events throughout the year. This is to raise money for various local and international charities. This year, we are bringing back the popular-by-demand, Murder Mystery Night! It is a night of fun, food, friends, and puzzling mystery! The theme for this year is a nautical sailing ship theme, entitled “Set Sail for Disaster”. This year we are supporting Child Rescue, a NZ charity whose mission is to free young children from sex-trafficking in South-East Asia. Each participant will receive a card, outlining who their character is and what their role is in the story. It is up to the students to talk amongst themselves to gather clues from each other, in order to track down who has been “murdered”. So, put your detective hats on, and let’s solve this murder mystery!

DATE: Monday 1st April

TIME: 5pm-7:30pm

VENUE: Golflands Campus Staffroom

COST: \$15 (this covers the costs of pizza, drinks and decorations used for the night, as well as a little bit of fundraising money for Child Rescue)

BRING: Your character card (which will be given to you prior to the event)
Dress up as your character as well as possible
An incredible sense of enthusiasm for a night of nautical adventure!

Yours sincerely

Ashleigh Booysen (Interact Club TIC)
and all the Interact Board
