

Wednesday 4th April 2018

Dear Parent/Caregiver

Orienteering Sprint Finals

Congratulations, based on your child's results from the Kiwi Sport School Orienteering Sprint Series, they have qualified to participate in the sprint finals this **Saturday 7th April**.

Event: **Orienteering Sprint Finals**
Venue/Time: Finals are held at two different locations. To get a result in the final, students must compete in both events.
1st Location (am): Macleans College - race starts 10am (please arrive beforehand)
2nd Location (pm): Unitec, Carrington Road, Mt Albert - approx starting 1.30/2pm

Please note: For the event at Unitec please follow the orienteering signage to the parking areas. The parking will be signposted from the **GATE 3** entrance on Carrington Rd. Also there will be no toilets available at the pm event, so make use of public toilets or petrol stations on your way.

Date: **Saturday 7th April 2018**
Transport: Please note that this event is on a Saturday at two different locations, parents will need to transport and supervise their child for the duration of both events.
Cost: **\$12.00**
Uniform: **Elim P.E. uniform**

How it works: The times from the two events will be added together. There will be no allocated start times and runners will start a minute apart. Runners from the same school cannot start one behind the other, they will be policing that. Like last year there will be a top ten shoot out in the pm race, where the ten highest placed runners from the am event will start in ascending order 10th to 1st.

Counties Manukau Orienteering Club will supply Sportidents to pupils from the schools in our area. The same Sport Ident will be used both in the morning and the afternoon. It will be collected after the afternoon event.

The events are similar to the events that the pupils have been running in, but may be a little more technical as this is a Final.

Parents: Please sign your child up **online** by **Thursday 5th April** by using this web address:

<https://tinyurl.com/elim-orienteeringfinals-2018>

Should you have any queries at all, please do not hesitate to email me.

Yours sincerely
