

APPRAISAL OF THE PRINCIPAL POLICY NAG 3

Rationale

Pursuant to Section 77C of the State Sector Act 1988, and following agreement by the State Services Commission, it is a contractual obligation to appraise the Principal's performance on an annual basis.

Purposes

- 1. To provide feedback for the Principal and the Board of Trustees on the Principal's performance
- 2. To ensure that the management of the school on a day to day basis is being carried out in accordance with the Board's requirements

Guidelines

- 1. The Principal will have a job description and an annual performance agreement which together will form the basis of the appraisal.
- 2. The Principal's appraisal will be carried out by the Chairperson and the Deputy Chairperson of the Board, or a mutually acceptable alternate as agreed by the Principal and the Board.
- 3. An interim formative appraisal may take place during the year as agreed at the beginning of the year and a summative appraisal at the conclusion of the year.
- 4. Performance will be appraised in the form of mutually negotiated goals and procedures. An independent person should be agreed upon to mediate/arbitrate on any disagreements or disputes between the Principal and the appraiser. Any previous issues should be established between the Principal and the appraiser at the commencement of each year.
- 5. The Board will provide the Principal with opportunities to be involved in professional development in curriculum, leadership and management.
- 6. The Principal can expect that fees and related expenses for approved courses of professional development will be paid for by the Board.
- 7. At the conclusion of the annual review appraisal process the Board Chairperson and Deputy Chairperson will provide a written report to the Board at the next Board meeting in the "In Committee" forum.

CONCLUSION

The appraisal process with the Principal is a tool to enhance his/her professional development.
