Elim Christian College aims to be

a deeply authentic, future-focused learning community by engaging in timeless principles and innovative practices and by integrating a focused biblical world-view so that each student will echo the words of Jeremiah 29:11 in the Bible, where its says:

“For I know the plans I have for you,” declares the Lord,
“plans to prosper you and not to harm you, plans to give
you future and a hope.”

A **Word** from the Principal

It is my absolute pleasure to welcome you to Elim Christian College. Situated in an affluent and peaceful suburb, close to superb amenities in sort-after East Auckland – Elim Christian College with its two purpose-built campuses, has a strong Christian character and is the school of choice for over 1000 domestic and international students.

With a broad and deep academic reputation, our school is well known for its high expectations for student achievement, its comprehensive student pastoral care provision and its strategic vision to provide a foundation of Christian values and character in a positive, inspirational, disciplined, creative modern learning environment.

Significantly, we are approved by the New Zealand Ministry of Education, the New Zealand Qualifications Authority, the International Code of Practice for the Pastoral Care of International Students and the New Zealand Education Review Office.

Our well-researched curriculum framework **‘A.R.I.S.E.’** (Achievement, Responsibility, Inspiration, Skills, Elim Christian Character) ensures each student is known, valued, catered and cared for. Powerfully bridging timeless principles of learning with new ways of working and thinking in our 21st century world, **A.R.I.S.E** strategically empowers and prepares each student to be ‘future-ready’.

Being educated in New Zealand’s largest city, with ease of access and travel to the beautiful and clean countryside, the safety of public and political stability, personal privacy and the quality of a caring community built on Christian beliefs featuring great homestay families - students of Elim Christian College are equipped to reach, serve and influence every sphere of society.

We enable each student to achieve personal academic excellence, equipping them with multi-disciplinary skills for a life of excellence, encouraging them to pursue a destiny of excellence and inspiring them to live by a strong moral compass, acting with Christian values and personal standards of excellence.

It is my expressed hope that you will make the strategic choice to embrace an education of the whole person – an Elim education! Finally I leave you with my description and my hope for this school I have the privilege and honour to lead -

“To have an environment where artists can flourish in their artistry, where the academics are revered for their intellectual prowess, where the honest are emulated and the wise are listened to, where the quiet are respected and the unusual experience empathy, where those who are not yet ready for leadership or lack fluency in social interactions can come and grow, where just fronting up on time and in the correct uniform everyday is a measure of your character and recognized as such, where laughter and banter blend comfortably with correction and purpose in an evolving tapestry of discovery and fulfillment.”
