

13th December 2018

Dear Parent/Caregiver/Whanau,

Summer Holiday Reading:

Children are encouraged to take a pile of Library books home for the holidays. All we need is permission from a parent/caregiver.

Please could you either pop into the Library, or email amanda.abrahams@elim.school.nz stating your child's name and Room Number. Once I have permission that child is welcome to come and choose some books. Summer Reading books will be issued from today, 13th December 2018, let's avoid the Summer Reading slump and get our children reading.

The children will be required to write a list of all the books they take (this will help you to find them at the end of the summer). I can help the junior children with this.

All overdue books will need to be returned before any new books can be issued over summer.

I will be available from 3:00-3:30 pm Friday the 14th, Monday the 17th, and 12:00-12:30 on Tuesday, if you would like to come and choose some books with your child/children.

Happy reading everyone.

Yours sincerely

Amanda Abrahams
Mt Albert Campus Library Manager
