Dear Parents / Caregivers

Tanzania Mission Team Meeting

Plans for our 2019 mission trip to Tanzania are now well advanced and we would like to meet all prospective team members and their families to bring you updates on the progress and launch this mission trip with prayer.

You will meet the staff who will be leading the trip and hear about the plans currently in place for preparing the team before they go and what they will do while they are away. There will be information available about the itinerary, travel, accommodation, team activities, health and safety, and fundraising.

Date: Monday 10 December
Time: 5:30pm- 6:30pm
Venue: Elim MAC Staffroom

Yours sincerely
