## Te Takitahi Term 3 Options Year 5-6

Dear Parents / Caregivers / Whanau

Tukua kia tu takitahi nga whetu o te rangi.  
Let each star in the sky shine its own light.

The Te Takitahi Initiative addresses the passions and/or personal goals of both our staff and students. The activities offered are mere tasters to address an area staff and students are passionate about or would like to engage more with - it is not meant to be a comprehensive exercise but perceived more as manageable and achievable within the given time frame. As importantly, it provides the opportunity with certain activities for Year 1-6 students to interact with one another.

The activity chosen by your child this term may incur a small cost. If there is a cost, you will be invoiced according to their choice.

We would appreciate it if you could choose the activity your child would like to take part in by **Thursday, 4<sup>th</sup> July**.
