

12 May 2019

Dear Parents / Whanau / Caregivers,

ON: Futures in Tech

This event is a opportunity for your child to dive into the world of entrepreneurship and tech through 'ON'. Brought to you by Niesh, Young Enterprise Trust, Auckland Tourism and Events and Economic Development (ATEED). This is the BIGGEST Techweek NZ event for students in 2019.

Students can expect to:

- Learn from a diverse range of global change makers and idea starters;
- Hear about their journeys and find out their business models and strategies;
- Participate in interactive panels and expos; and
- Select the final winner of our start-up competition 'ON: Pitch'.

More information can be found at onfuturesintech.co.nz
