Dear Parents/Caregivers/Whanau

**Year 4**  
**“The Beach”**  
**Term 2 Activities/Permission Slip**

Welcome back to a new term! We hope you have had a lovely break and enjoyed being with each other these school holidays! This term our focus is **“Design”**.

God has designed our world with many systems, we will be exploring several of these this term, including the early church and our amazing bodies! Our science focus will be on SPACE: The Final Frontier! Students will be investigating this from a Science Fiction or a Science Fact perspective in order to write amazing stories or reports. We will also be using Skype in the classroom to link up with other classes and students around the world while developing our geography and time telling skills. If you know of anyone in a different country or even in a different part of NZ that we could connect with via Skype, please let us know!

We hope you share our excitement for the fun and learning to come this term! Please ensure you take note of the following costs for this term’s trips and events and pay these through the KAMAR/Parent Portal, the link is available on the school website: [www.elim.school.nz](http://www.elim.school.nz).

To support our learning this term, please ensure your child has the following **FREE TERM 2 Apps** downloaded onto their iPad. Please ensure they also have the **Year 4 Compulsory Apps**, this ensures we can run a smooth programme. If you require another list of these please email your child's teacher.

| Epic  | SkyView Free  | NASA  | Ready, Jet, Go  | Google Earth   | Thinking Blocks Multiplication  | Choose <u>any</u> <u>app</u> to learn your <u>times tables</u> ! Ask your teacher for ideas if you're stuck! |
