Welcome to Term 3; we hope you've had a lovely holiday! We are looking forward to another exciting term of learning and working together with you and your child.

As part of our learning this term, we are hoping to create some portable gardens. We are looking for the following:

- *People to help us build our gardens – if you, or someone you know is available to help us out, please let us know! We are planning on building in the 2nd half of the term on Tuesday and Wednesday afternoons, however, we may be able to be flexible if we have people available to help us at other times.*

PE: Students need their PE gear at school on Thursdays for our class PE lessons. We will also be training for cross-country on Tuesday and Thursday mornings for Weeks 1-3. The students will need sports shoes appropriate for running on those days.
