

Dear Parents/Caregivers/Whanau

Year 6, Term 4 Activities Permission Slip

Welcome to Term 4 we hope you've had a lovely holiday! We are looking forward to another exciting term of learning and working together with you and your child.

LEARNING FOCUS: This Term our Elim exploration is 'SUSTAINABILITY' – God gives us a future and a hope. Our main learning focus will be Social Sciences, learning all about how we can be sustainable with the resources we have.

We will be continuing to build our recycled wooden pallet gardens this term, so we will be looking for more volunteers to help. It is our intention to have them all completed in the first couple of weeks of term.

- *The students are working in small groups to build their gardens. They can work on them any time there is an adult available to help and supervise. Monday - Friday – anytime between 9.30am - 2.45pm.*
- *If you're available to help, please complete the parent helper section and we will email you to confirm.*
- *A special big THANK YOU to everyone who donated pallets and helped us build in Term 3 – you have been amazing! ☺*

PE: Students need their PE gear at school on Thursdays for our class PE lessons.

Notices: *To keep you up to date, parents will be emailed regularly with a link to our school website where you can check notices and our current school calendar. If you are not receiving these notifications, please contact the Golflands Campus.*
