

Dear Parent/Guardian,

A communication was sent out last week around **Year 9 and 10 Options** for 2019.

These options are being offered as an initial “taster” experience for the various subject areas. In 2019, Y9 and Y10 students will choose 2 options for each semester (half-year).

A brief guideline around content for each of the tasters is given below.

<b>Taster Option</b>	<b>Year 9</b>	<b>Year 10</b>
Art	Basic sculpture, painting, printmaking, drawing	
Art Painting		Painting, drawing plus mini folio boards
Y9 Design/ Y10 Art Design	Advertising, digital art, graphic design	Advertising, digital art, graphic design, design folio boards
Digital Technologies	Computational thinking for Digital technologies	Computational thinking for Digital technologies
Digital & Visual Communication		Graphic Design
Drama	Developing confidence in drama through group performances	Developing confidence in drama through group performances
Music	Aural training, composition, performance assessments, musical knowledge and score-reading	Aural training, composition, performance assessments, musical knowledge and score-reading
Business Studies		Basic Economics and Financial Literacy
Chinese	Introduction to Mandarin (I)	Introduction to Mandarin (II)
Technology	Innovation technology involving practical skills to solve real life problems
