Dear Parents / Caregivers / Whanau

Middle Years 7-10 School Uniforms

As the 2018 school year draws to a close I wish to advise parents whose children will be moving into a new uniform, that there is an option to either donate or sell second hand if you do not have younger children to pass the uniform down to.

We have a number of parents wanting to purchase different items from the middle years uniform. I would like to recommend that if you have not yet joined the Elim Christian College ARISE Parents FB page you join the page and post any items that you may be willing to give away, or sell, once you have finished with them.

If you do post on the page, please include your name and contact number for people to contact you directly.

This page is only for Parents/Caregivers.

Yours sincerely

Mrs Lisa Snary
ARISE Parents
