We would like to share with you the [Activity Management Plan](#) for your interest. We will use our database of consents to manage any photos that are taken and any specific media needs for students. If your information has changed recently, please let us know.

Your child will not be able to participate if you have not completed the **Education Outside the Classroom (EOTC) 2026** form, please follow this link to provide consent: [Education Outside the Classroom 2026](#).
