Kia Ora tātou

Year 9 Options Selection for Semester 2

Below is a link to a google form within which you will need to select **one course in each of the two option lines. We also ask you to choose a 2nd and 3rd standby choice for each of the option lines.** We aim to give students who *missed out on their first choice of subjects for Semester 1 priority in course access*, however, due to course number limits, this will not always be possible. We also understand that some students may have changed their mind as to what their preferred subject choice would be.

Please follow the instructions on the Google form linked below carefully.

The google form will go live on Tuesday the 23rd June at 6pm. The form will remain open until Thursday 25th June, 3pm.

If we do not receive your form submission by the deadline (Thursday 25th June 3pm) then your subject options will be randomly assigned. Changes will only be considered in the first two weeks of the semester, subject to space availability and approval from Curriculum leads.

SEMESTER 2 OPTIONS	
Option Line 1	Option Line 2
Hard Materials Learn skills in using workshop machinery to create projects and items from hard materials such as wood.	Business & Financial Literacy Basic economics and business literacy.
Food Design Explore global cuisine, master foundational barista skills, learn the science of food and create eye-catching packaging design.	Drama Developing confidence in communicating through the application of drama constructs.
French Introduction to French language and culture	French Introduction to French language and culture
Graphic Design Discover the design process by connecting with stakeholders to create impactful logo systems, creative character designs, and finished promotional art products.	Product Design Complete self-directed project through design process and technical drawing to create functional prototypes or final products using 3D printing, laser cutting etc.
Music Aural training, composition, performance assessments, musical knowledge and score reading.	Visual Art Previously basic sculpture, painting, printmaking, drawing

This is important and must be completed by **Thursday 25th June 2026.**

The Google form will be closed for submissions after 3pm on this date.

Please register your choices on the Google form - <https://forms.gle/to8EjzMDVAf5x5Eu7>

Ngā mihi nui,
Mr Michael McKenzie
Deputy Principal: Middle Years
