## **Avondale Visit, Holiday Tutorials and the Numeracy Co-requisite**

Dear parents and caregivers,

This year our NCEA examinations will be held at Avondale Exam Centre. To familiarise our students with the exam centre, we have organised a session with Avondale for our new NCEA students and their parents on Saturday 14th October at 9am. This will be to show students where the exam rooms are, familiarise them with the process on exam day and to remind them of the examination rules. All students new to NCEA or new to the school are welcome to attend with their parents.

Time: 9.00am  
Date: Saturday 14th October  
Location: Avondale College - we will assemble in front of reception
