

BOTANY CAMPUS

Friday 21 July

Term 3 : Week 1

STEPHEN BRISCOE - DEPUTY PRINCIPAL (SENIOR YEARS)

Welcome to Term 3.

This term much of our attention turns to preparation for NCEA external exams while continuing to foster the holistic development of your children. We will encourage them to embrace challenges, develop critical thinking skills, and explore their passions.

Next week our cultural camp takes place from Wednesday - Friday. This will be a great time to celebrate one another culture through food, games and other activities.

Brett Harvey from Tāima Kōrero will be with us on the 27th of July in the Church cafe. Brett delivers engaging, honest and sensible information on how to talk about pornography with your child or teenager, and why these conversations need to happen.

Backed by the latest statistics and research, Brett's presentations draw on his first-hand knowledge of the negative effects of pornography and provide attendees with an eye-opening insight into the multi-billion dollar industry that is targeting our children. You will leave feeling well-informed and equipped to have these difficult yet essential conversations with your children.

Please also see a range of other information sessions on Pg. 5 that you may be interested in.
