

Thursday 27th August 2020

Kia Ora we look forward to welcoming you back to school on site next Monday! Please watch out for the Principal's update which will be issued tomorrow, which will clearly outline all drop off and pick up times and site management for Alert Level 2.

We are excited to be back together and much work has been done in trying to fit and reschedule events that were planned. We have managed to do this for most events. These have been moved to later in the term or at the start of Term 4. Please note, some details of events will need to be confirmed when we know the alert level Auckland is in at that time. Thank you for working with us in this regard.
