

18th July 2023

Dear Parents/Caregivers/Whānau

Welcome back, we hope you had an enjoyable school holiday break. In term 3 our focus is “God calls us to serve’. We will be focusing on how the early church began and how we can serve in our families and community. Our Science focus this term is Living World, we will be learning about the different biomes and habitats God has created, and the different systems within them. In Digital Technology students will be experimenting with creating Stop Motion videos. It is imperative that students have the Stop Motion app downloaded on their ipads, please see the apps list below for more details. There are many fun events happening this term so please ensure you check the dates below so you know what is happening each week.

Please read the latest information from our Principal, Mr Burton:

**HOMEWORK:** Students receive a homework sheet each week. Homework is due to teachers for marking on Fridays. It will include Reading, Spelling, Scripture & Discussion points, Maths facts of the week and Activity of the week. Students usually keep their readers at school for teaching purposes and occasionally may bring the reader home, therefore for homework, students are to pick their own reading books for enjoyment. Please include the reading book’s title in the appropriate space and sign your child’s homework book every day. Refer to your child’s homework book for more information. At the beginning of each term, please tick on the first homework sheet to show that you have updated your child's information. Please send any changes in medical information/address/phone number, etc. to: [gadmin@elim.school.nz](mailto:gadmin@elim.school.nz)

**UNIFORM:** All items of school uniform may be worn as appropriate to the weather conditions. Refer to the school website for requirements - <https://www.elim.school.nz/uniform/>. Please ensure that all items are **clearly named**.

**Please note:**

- Long-sleeved polo shirts/regulation track pants may be worn in Terms 2/3.
- **PE uniform:** Regulation P.E. uniform shirt and shorts is compulsory for all Year 5 and 6 students, and for all Year 4 students who are representing the school in a sports team.

**STUDENT HANDBOOK:** This can be located on our website for easy reference: [Student Handbook](#)

**APPS TO DOWNLOAD FOR THIS TERM:** If you have not as yet downloaded the Apps from the list below on your child's device, it would be appreciated if this is done for this term to facilitate learning.

**WASTE MANAGEMENT AND MINIMISATION:** Please note that:

- All students are required to take their morning-tea and lunch wrappers, uneaten food, etc. home with them. They cannot dispose of it at school.
- All containers/wrappers from our lunch providers (Subway, U-Sushi and Pita Pit) **must** be taken home to be disposed of. The bins at school cannot accommodate this volume of rubbish.
- The recycling bins at Golflands Campus have little provision for landfill items and food scraps.

Together with the above deliberate measures to reduce waste, increase recycling and improve sustainability, we would also like to strongly encourage all our parents to pack lunches in reusable containers and to buy in bulk.

#### **AFTER-SCHOOL CARE ON OUR SCHOOL SITE: Elim Kelly Club -**

Kelly Club is a Year 0-8 After-School Care and Holiday Programme that operates out of our school hall from 3 pm – 6 pm, and from 8 am to 6 pm respectively. Cassidy has joined the team as the Programme Coordinator, she is super excited to join the Kelly Club Elim team and meet you and your wonderful children. We know Cassidy is going to be the best fit for the Kelly Club Elim team with her passion for kids and their health and safety being front of mind at all times. Cassidy's experience of working with kids and young people will be invaluable to lead our excellent and quality Kelly Club Elim Programme.

We want to let parents and caregivers know that:

- Kelly Club shares their revenue with our school to benefit our learning community.
- Programmes are approved by the Ministry of Social Development.
- WINZ subsidies can be accessed for eligible parents/caregivers - From 1 April 2023 more people will be eligible and hourly rates will increase, find out more at <https://workandincome.govt.nz/about-work-and-income/news/2023/childcare-assistance-available-to-more-people.html>.

*Some of the advantages are:*

- There is a good balance of activities which also allows students to get their Home Learning done at a certain time.
- Afternoon tea and snacks are also provided.
- You do not have to rush to school to pick up your child/children in peak-hour traffic at 3pm. They are still on the school grounds.

Please ensure all of your bookings are up to date for this term so that we can plan accordingly for safety ratios. You can edit your bookings online at [www.kellyclub.co.nz/elim](http://www.kellyclub.co.nz/elim).

**Cancellations:**

The online booking system allows you to make changes to your booking until 6pm the night before. To avoid being charged for a session, please contact us by phone, 021156 6256 or email, [elim@kellyclub.co.nz](mailto:elim@kellyclub.co.nz) before 6pm the night before.

**SCRIPTURE UNDERSTANDING AND APPLICATION:** We want to celebrate how students apply the Word of God in their lives. Students will have two larger passages of scripture to understand and apply each term. These verses relate to our Kotahitanga value for the term, with a hope to integrate character and scripture. On the homework sheet each week, there will be a copy of the scripture focus and discussion prompts for families to use at home. [This is to help](#)

continue the conversation of scripture at home and deepen students' understanding and application of the verse. During the term, students will be asked to demonstrate their understanding and application of the scripture and will be able to choose a way to do this. It may be through memorisation and explanation orally, through journaling, drama, song, art work or a recorded presentation.

**CULTURAL DAY:** as part of our Biblical theme God wants us to serve. We want to serve and celebrate all the different cultures in our school. Our special cultural day will be on Wednesday, 6th September 2023.

As part of the celebration we would like our students to experience different cultural activities run by Parents throughout the week during lunch times.

Some of these activities may include:

- learning a cultural dance or song
- doing a cultural craft
- learning some basic greetings / words in another language
- hearing about some cultural traditions
- viewing and learning about traditional cultural items or
- learning and playing a new cultural game.

We are blessed to have many students from different cultures as part of our school. In order for this week to be authentic and a success, we need Parents and/or extended family members to come along to school to share their culture and skills with our students.

If you are able to help us out for a few hours during the week 4th September - 8th September, we would be grateful. Please email Mrs Groenewald ([brieta.groenewald@elim.school.nz](mailto:brieta.groenewald@elim.school.nz)) by Friday, 18th August if you are able to assist in any way.
