GC Bus Survey - Bus Students Only

If your child does not use the school bus service, no further action is required.

We have two bus services operating for our Elim Christian College students - Howick & Eastern and Kiwi Coach. Each company manages their own routes. Please visit their respective websites or contact our bus providers directly for route information and the purchasing of tickets for your child/ren.

Please complete [this Google Form](#) which will inform us how often your child/ren will use the bus service.

If there are changes to the days/times your child takes the bus, please let us know.

In the next few weeks your child will bring home a bus Code of Conduct form. This must be read through with your child, signed by them and a parent, then returned to the school office.
