

Kia ora Parents / Caregivers / Whānau

A huge THANK YOU to our ARISE Parents Prayer Team who co-ordinated a Prayer Walk at the Golflands Campus. The group that gathered walked through the campus singing, and praying for our staff and students, as well as for all three campuses. Scriptures were written on the concrete paths outside the classrooms and doors were anointed as groups of parents swept through the campus, praying blessings on our staff and students, and that God would be honoured and praised by His name among the school community.

"...for it is God who works in you to will and to act in order to fulfill his good purpose." (Phil 2:13)

Thank you Mrs Sasha Bruneau-Herman and Mr Moveen Lal for co-ordinating this special time together.

At this time of the year, Mrs Anna van Leeuwen encourages the Elim community to support Women's Refuge, New Zealand's largest nationwide organisation that supports and helps women and children who are experiencing family violence. Please see on Page 6 of this newsletter how you can help be a blessing with what and how to donate.

There are a couple of big Junior Years events that occur over the next couple of weeks as the end of term draws near. Much preparation has gone into setting up the Market Day learning experience for our tamariki; we would appreciate your support in helping your child purchase Burton Bucks which is the currency needed for the day, and in coming along to share in this experience. More information is on Page 2 of this newsletter. We look forward too to our Term 1 Cultural Day in which we get to celebrate the Korean, Indian and South African cultures in Junior Years this term. Again, your help will be greatly appreciated in supporting our teachers provide authentic cultural experiences.

Please continue to support us in reinforcing with our children the need to finish the term well - continued effort, regular attendance, a can-do attitude, and a smile would be awesome!

MISSION-MINDED KIDS

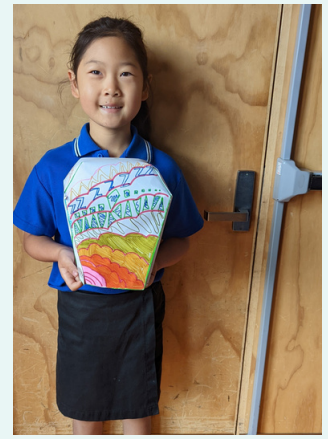

Our Year 5s and 6s took part in a Mission-Minded Kids (MMK) course run by @Asianoutreachnz. The children had a great time learning about different cultures, "the great commission" and persecuted followers of Jesus. Plus they are being challenged to be missions-focused right here and now in their own community! One way they're doing that is by fundraising at the upcoming Market Day, to provide warm jackets and boots (Winter Kits) for children living in poverty, in Mongolia. Watch this short video or learn more here about the difference Winter Kits are making to vulnerable families in Mongolia! Please pray with us that the MMK content will inspire our tamariki and help them to develop a mission-mindset...some of them may even be our future cross-cultural missionaries who serve in "unreached" places overseas!
