Fortnightly update from the Golflands Junior Years Assistant Campus Leads

LOCKDOWN EDITION

Week 5 Term 3 2021

Kia ora parents, caregivers & whānau,

We hope you are all doing well in your bubbles!

I'm sure the news of this lockdown has brought with it many different feelings for us adults and our children. For some, lockdowns are a time to slowdown and enjoy a different pace of life with family. For others, it can feel quite isolating and unsettling as we navigate the different challenges that may arise. Let's remember to reach out and connect (virtually) with family and friends and show our support for each other during this time.

With lockdowns, the rescheduling or cancellation of trips and events that were previously planned are unfortunately inevitable. Over the coming weeks, we will keep you up to date with which events have had to be cancelled, and which can be rescheduled to a later date.

Over the last week, Ms Mudhan and I have been able to virtually walk around the school and visit the different classrooms via Zoom, SeeSaw and Schoology. I have been very impressed by the amazing learning going on in each of our classes and seeing how engaged our students are. I'd like to say a huge thank you to all of the Mums and Dads out there for helping your kids with their learning. It's not always easy teaching your own kids, and it gives me a deep appreciate of how incredible our teachers are. Parents, we appreciate the way you are juggling things at this time to support your children learning from home!

Several children from our campus have celebrated lockdown birthdays over the last week or so. An extra special Happy Birthday from us this year. We hope you had a fun time celebrating with your families!

I've collected a small sample of photos from each of our classes at school to give you an insight into what has been happening in their online learning programmes - hope you enjoy!

Keep up the great work, everyone!

Kia kaha

Jonathan McPhail

*Assistant Campus Lead
Golflands Junior Years*

Verse of the Week:

This is my commandment: Love each other just as I have loved you.
There is no greater love than to lay down one's life for one's friends.

John 15:12-13

In Week 3, our school celebrated Hosanna Week. The focus this year was on 'secret acts of service' based on John 15:12-13. Our students were invited to experience different events and activities throughout the week relating to the theme. Thank you parents and teachers for putting on a fantastic week for our students!

Lockdown Birthday Shoutouts!

YEAR 0/1 HIGHLIGHTS

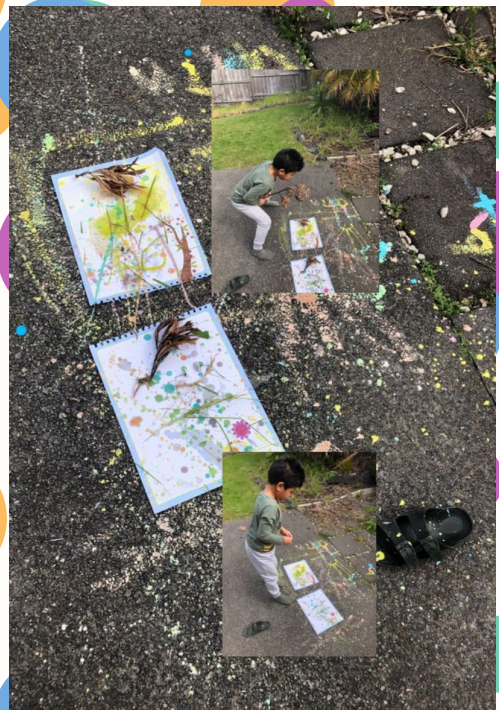

A lego honey bee

I had the jelly with
My favt cwns.
my favourite colours.

I planted this garden with Caris, Aneska and daddy.

All About

Me

- 1 Draw your favorite thing to do.

- 2 Take a photo of yourself.

- 3 Tell what you like most about yourself.

Going on a bear hunt

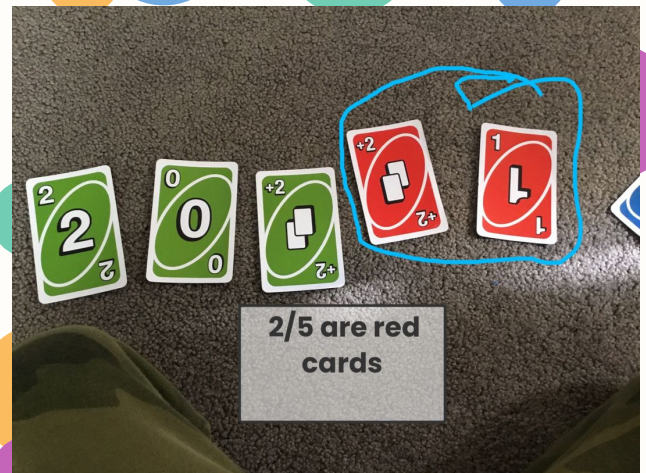

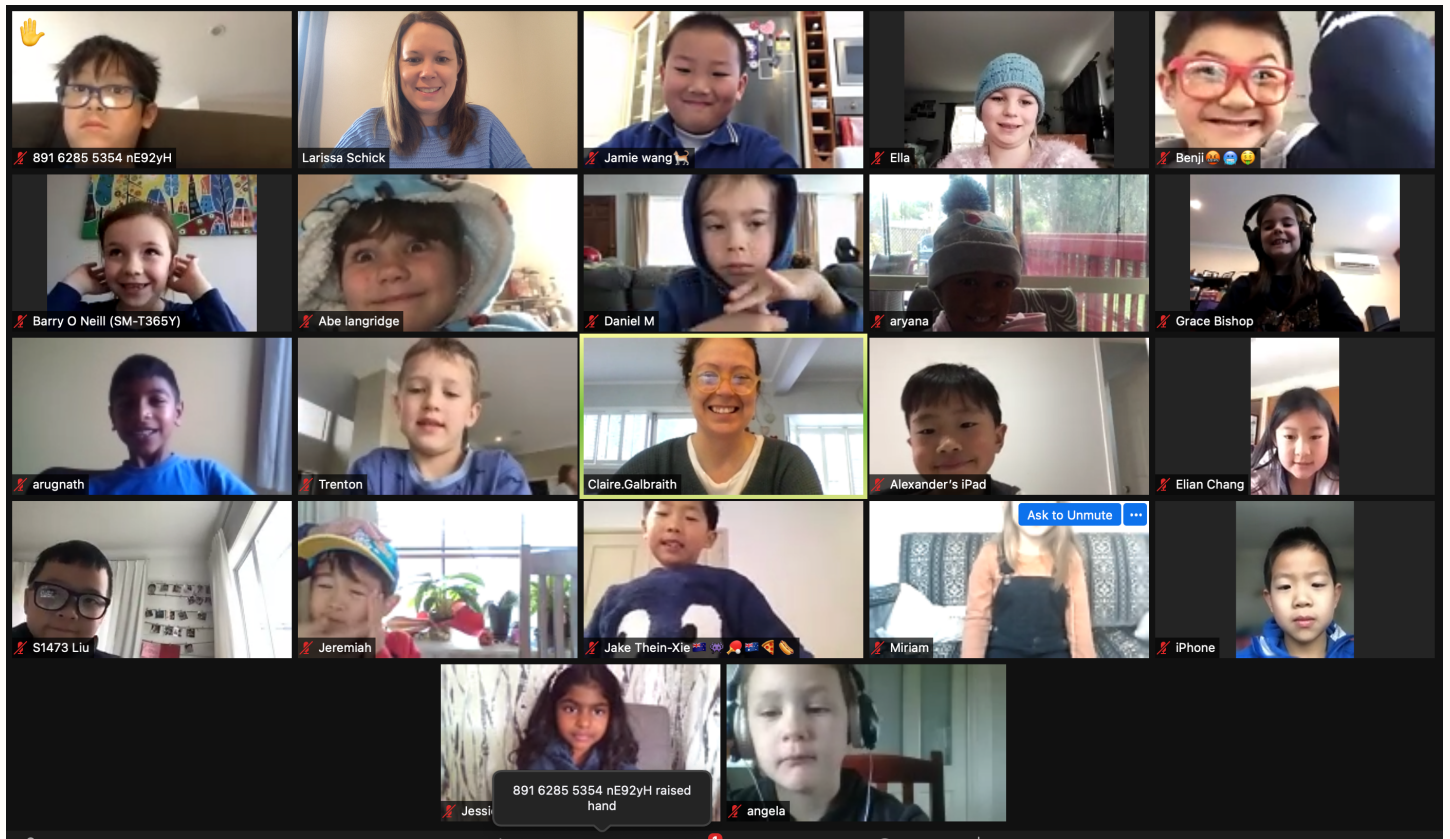

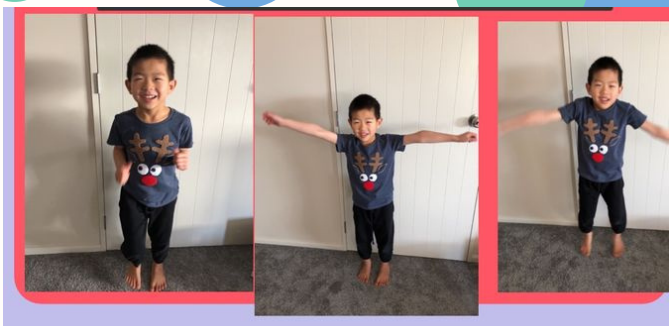

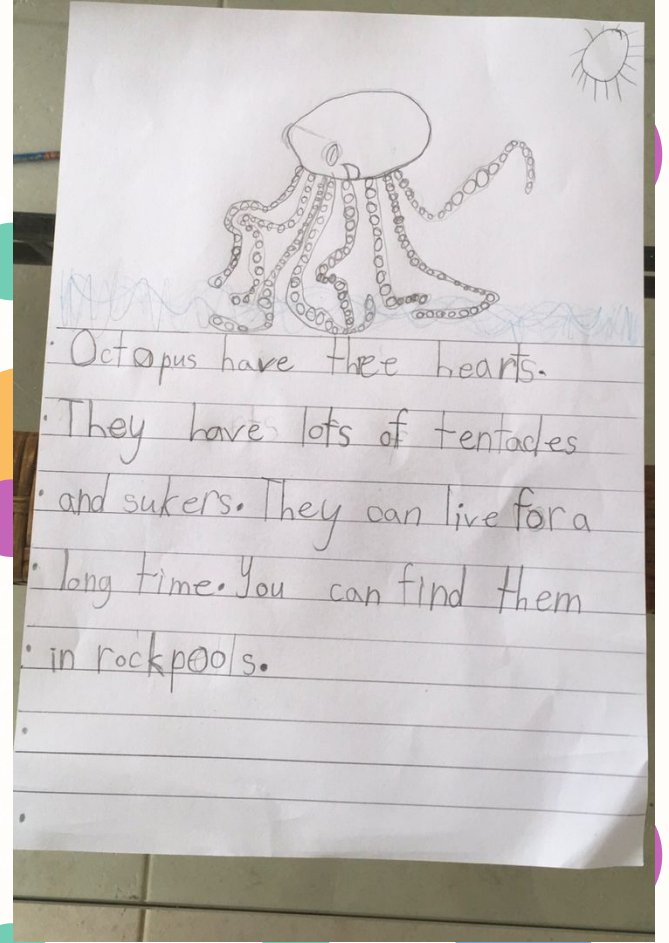

This is my dog.

Today we made coloured rice. Measuring, mixing and creating patterns with it.

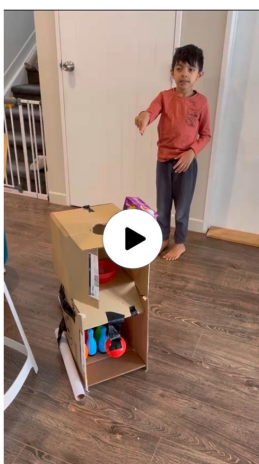

YEAR 2 HIGHLIGHTS

Foodie - Bot

My Foodie-Bot gives you snacks and also lets you play bowling.

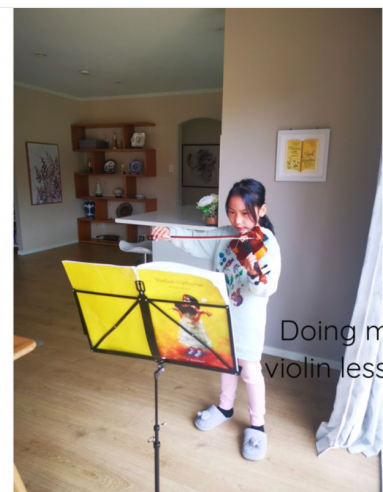

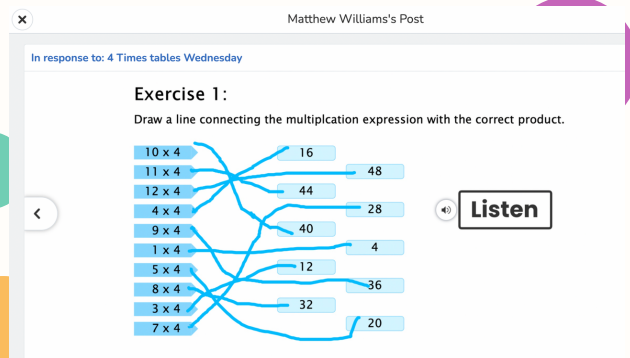

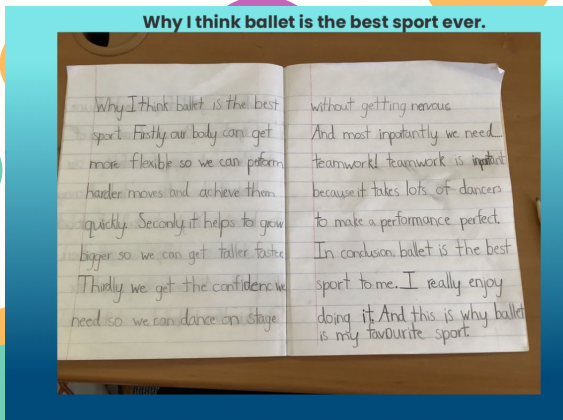

Travelwise on Thursday

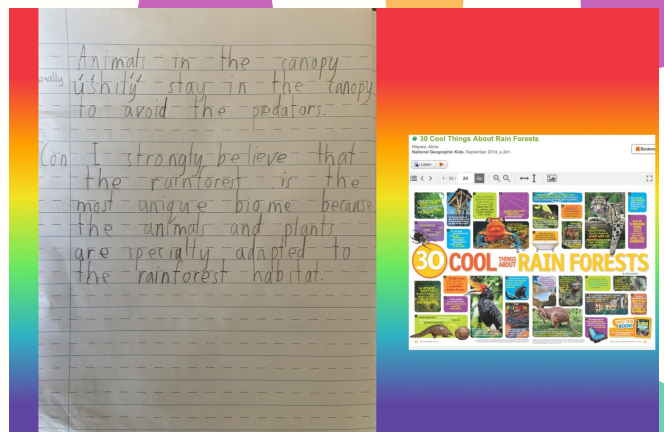

I woke up early this morning and walked to the sea shore with my mum before the Zoom meeting starts.

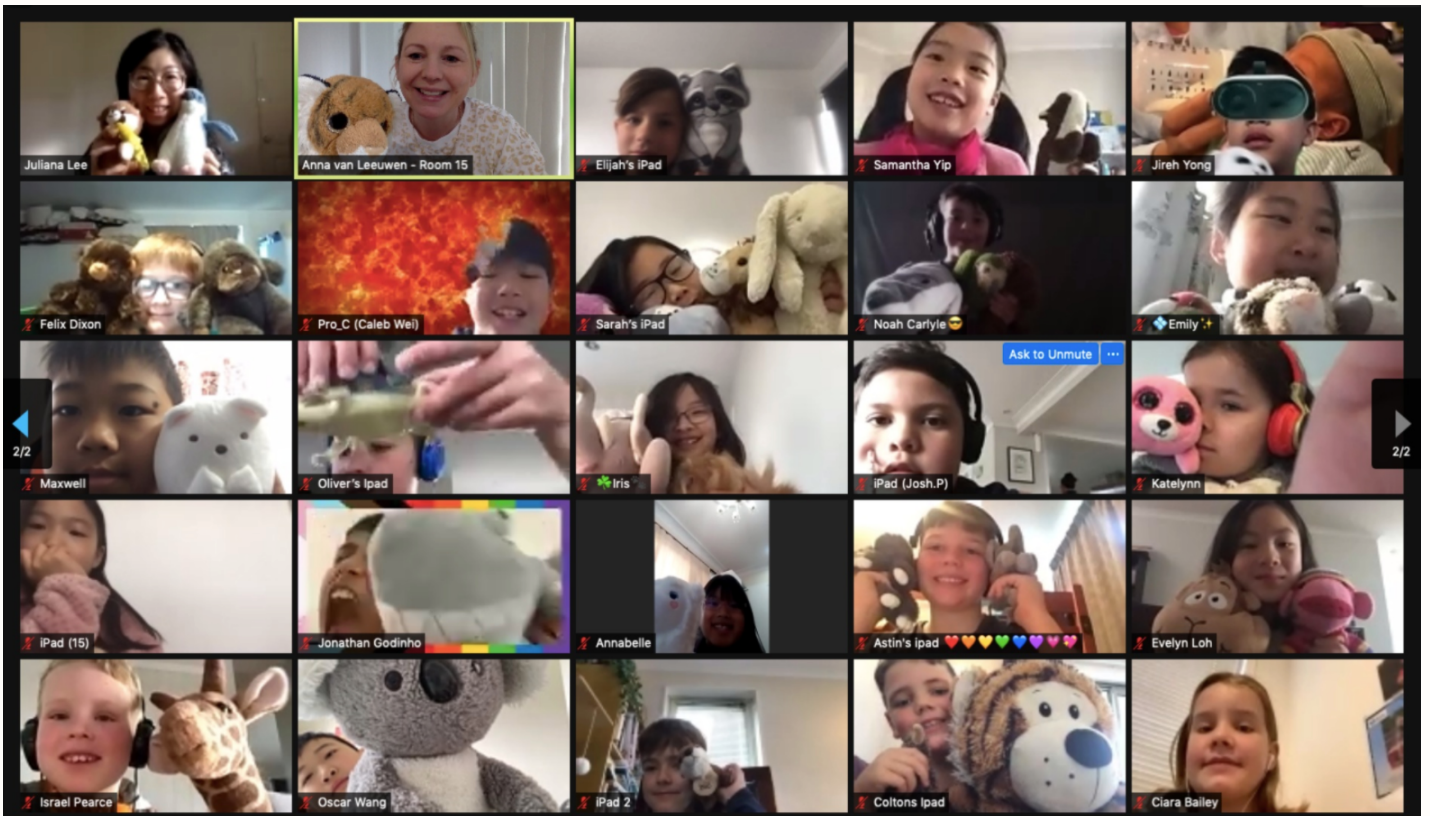

YEAR 3 HIGHLIGHTS

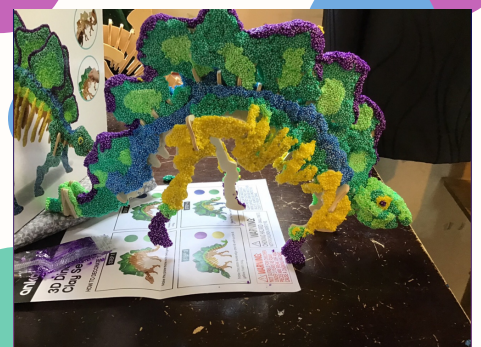

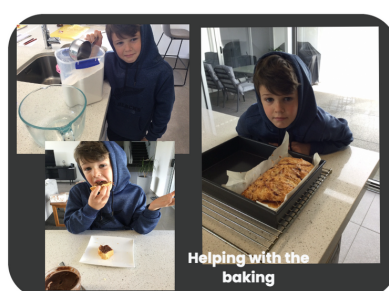

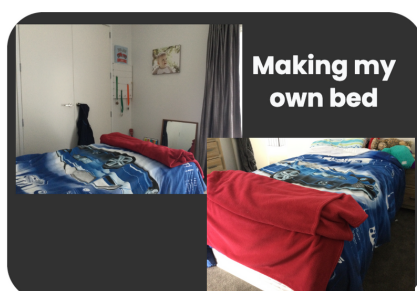

Doing my violin lesson

YEAR 4 HIGHLIGHTS

My Service Project at home

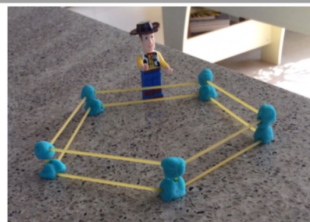

I made a house it is a triangular prism, rectangle prism, a cylinder and a pyramid.

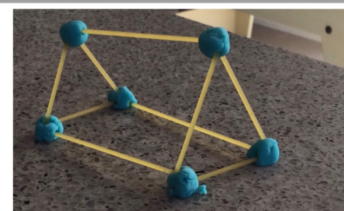

Build your own 3D Shapes!

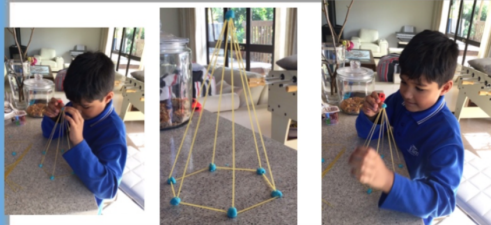

Pentagonal Prism

Triangular Prism

Hexagonal Pyramid

What did you use for the
CORNERS of the
What did you use to
build the EDGE of your
shapes?

Playdough(
that I made)

Spaghetti
