

Mrs. Snook explains garnishing along with healthy greens for a savoury dish. Y8 Food technology

Kia ora Parents / Caregivers / Whānau

Our Y10 student leader Paula Sun encouraged and challenged the students at a recent assembly with the meaning of genuine respect. Mr. Graeme Foster reinforced this message by asking our students why they value respect, in an online community. Our Technology students are learning about food and hospitality and the Blessed Cafe is a start-up success!

Upcoming Events:

Tuesday 16th May

3.30 pm - 7 pm

Year 10 Parent-teacher meeting. This is to prepare for the Co-Requisite assessments. It is an information evening

Wednesday 17th May

All year 10s learn from home

Friday 26th May Jumbo fun run and obstacle course fundraiser

The power of stepping away.

"Resilience is built as we learn to step away from things that burn; things that drag us and others down". When last did you deliberately choose to let things go- to move on from an offense? Please talk about this with your children. Talk about online resilience and online respect.

Elim Christian College

FRIDAY 26 MAY

Move and Run OBSTACLE FUN

Our chess players are preparing for a cross-campus chess exchange. This is a popular lunchtime activity.

Well done to Madeleine Mensah and Samuel Zeng, the winners of a recent computational thinking challenge .

Y10 Science students testing circuits with multimeters

Year 8 Social Studies models showing elements of Roman civilization

Year 9 DVC students are busy with design and drawing a 1-point perspective of an ideal room.

How to access your child's Schoology Gradebook

You can either look into each subject, take a snapshot view of their learning and any feedback or even download your child's grade book. Remember that in the Middle Years, we do not issue traditional static reports. Our gradebook is live and at any stage during the year, a grade report can be accessed or downloaded.

1. Go to <https://elim.schoology.com/> to log in with your parent credentials – each student has at least one parent registered on Schoology. If you have forgotten your password, please use the Forgot Password function to reset your password.
2. Go to the top right of the page, and click on the down arrow next to the parent name.
3. One or more of your children's names will appear. Click on the child whose report you want to print.
4. A new page with the words Courses, Groups, and Grade Report will appear.
5. Click on the Grade Report tab.
6. A new page with a button (Download Student Report) will appear – click on the button.
7. A pop-up window (Download Grades/ Attendance Report) will appear.
8. Select the grading period (for 2023 it is called Overall Coursework 2023) – select that one and click next.

Accessing your child's Schoology Gradebook

>>>

9. A new pop-up (Export [Your Child's Name]'s Student Report with a "Select All" button – click the button and then click "Submit".

10. A page will show the report.

11. Right-click anywhere on the page, and click on "Print...". A print instruction pop-up will appear. In the "Destination" drop-down, choose "Save as PDF" and click "Save".

12. A PDF will be created and can then be saved to a folder on your device, or your cloud storage, or be emailed and later printed.

Note that this is a record of learning, a snapshot of your child's learning journey that reflects the formative processes that happen during the year and mastery or lack of mastery for each of the learning opportunities in each course.

To get a more comprehensive idea of the depth of specific learning tasks you can drill into each subject by clicking on the individual subjects when you are on the page that has the "Download Student Report" button.

It is possible to save these pages as PDFs

>>>

Additional information:

Student-led conferences for all Year 7–Year 10 will take place in Term 3 on the 1st and 7th of August and the focus is on general learning.

This event is a compulsory learning event for all Middle Years students.

IMPORTANT INFORMATION: Y10 Teacher/Parent Meetings

By now you will have booked either one or two 10-minute interviews with a Year 10 teacher to discuss learning progress in literacy and learning progress in numeracy in preparation for the national Co-Requisite assessments that will take place later in June this year.

The purpose of this interview evening is to hear from the teachers how your child is progressing.

The year 10 parent meeting interviews take place at school in the year 10 learning area upstairs.

Tuesday 16th May
3.30 pm ending at 7.10 pm

The booking code has been emailed to the parents of Y 10 students. Bookings close at midnight on Sunday 14th May

An important message about traffic and parking.

Please ensure road rules are followed at all times. AT-Auckland transport will fine parents who park illegally—even if it's just for a minute.

The University of Canterbury Kiwi National Assessment will be happening from the 20th June.

CAM Kiwi COMPETITION DATES	English	Mathematics	Science
Golflands Campus	Tue 20th June	Thu 22nd June	Wed 28th June

A decorative border of tropical flowers and leaves surrounds the central text. The border includes pink and white hibiscus flowers, white plumeria flowers with yellow centers, and large green monstera leaves. The flowers are arranged in a circular pattern around the text, with some leaves and smaller flowers interspersed between the larger blooms.

In March this year Judah Green (a year 8 student) travelled to Valencia, Spain with SoccerplusNZ to attend a football training camp. As soon as the invitation to attend was accepted, fundraising began. Through a give-a-little page Judah ran events such as a 4 hour non stop rowing challenge and a 20km in 20hours running challenge. With funds raised and his Grandad as chaperone Judah boarded the plane with 14 other athletes and set off for what would become the trip of a lifetime.

While there, he spent his days attending training sessions with one of Valencia CFs best academy coaches learning how the Valencia teams train and play. They also played multiple games with other Spanish academy teams. The games were fast paced and intense but Judah slowly got the hang of it.

They also had the wonderful opportunity to visit and tour two football stadiums: The Metropolitano Stadium (home to Atletico Madrid) and The Mestalla Stadium (home to Valencia CF). The group were also able to meet the Valencia CF first team and get some photos with their favourite players.

Along with touring the city and experiencing some of the Spanish culture the highlight of the trip was being able to play against the other Spanish teams and learn from them.

Grateful for the amazing opportunity Judah has returned home with greater love for football and a determination to bring all he has learnt back to his team here in New Zealand.

News from Mrs. Borthwick who simply loves sharing details about students who are involved in activities outside of school.

We had 3 students compete in the 2nd race of the Mons Royal Auckland Schools MTB XC Series. This is a 5 races series at a variety of venues around Auckland. Race 2 was held at Hunua.

Benjamin Weston (Y9), Ailidh McKinnon (Y9), Logan McKinnon (Y7)

Was a very muddy course and the students had a lot of fun competing and did exceptionally well in the very challenging conditions.

Ailidh came 2nd in the girls' u15. There were 5 riders
Logan came 2nd in the boys' u13. There were 59 riders.

Both of them started at the back of their packs since they hadn't raced before and weren't ranked. So Logan did a lot of overtaking!

Ben came 17th in Boys U15. There were 30 riders.

Congratulations to all our riders and we look forward to hearing about your future races in the series.

It was a long but fun day today out at Hunua. It was super muddy!

Elim Christian College Golflands Campus Obstacle Fun Run.

Friday 26 May ARISE Parents and staff are running an Obstacle Fun Run to raise funds for umbrellas and shade sails for our Golflands Campus.

We urgently need more sun protection at our school! The more money raised the more areas we can cover, benefiting all our current and future students. Our students will be seeking sponsorship for their efforts on the event day. As well as raising much-needed funds, our Obstacle Fun Run will be a highly active and fun event for all our students to take part in. We hope it will become a highlight on our school calendar!

How will this fundraiser work?

This year we have partnered with the online fundraising company Go Raise It. Collecting sponsorship online makes it super easy for everyone – no more door knocking, your child can collect more donations from further afield (friends & family living overseas, work colleagues, etc), and no need to worry about handling cash!

How do I sign my child up to fundraise online?

Each child can sign up for their very own fundraising web page to send out to collect online sponsorship from anyone, anywhere!

- Just go to our Fundraising Hub page at: <https://elimccobstaclefun.raiseit.co.nz/hub>
- Click on the SETUP A FUNDRAISING PAGE button
- If you need any help, email help@raiseitfundraising.com for direct assistance.

Multiple children in your family?

No problem, all children can sit under the same email address.

You'll find a button to set up another page while logged in to the fundraising account you created first.

Do I have to sign up for an online account to fundraise?

We would love everyone to have an online account as this allows the school to significantly reduce the administration overhead of collecting and dealing with cash.

Go Raise It adheres to strict cyber-safe guidelines, and this is built into our fundraising website. If you really do not want an online fundraising page and still want to participate please pass all donated funds into the school office.

Prizes: We have a great range of fundraising prizes available including spot prizes. There are prizes for signing up and getting sponsorship and prizes for top fundraising students and classes. Prizes include a hoverboard, room makeover, botany voucher, and more. Class prizes include 1. Movie afternoon in the hall with treats and class mufti day 2. Pizza lunch and extra playtime 3. Ice blocks

Event Details: On Friday, May 26 2023, our Golflands Campus will become a giant obstacle course!

Creating an opportunity for fun non-competitive physical challenges for all year levels.

在2023年5月26日星期五这天, Elim Golfland校区将会为筹集遮阳帆和伞的资金而举办 Obstacle Fun Run 障碍趣跑日。我们学校迫切需要更多的防晒措施! 筹集的资金越多, 我们可以覆盖的领域就越多, 从而使我们所有当前和未来的学生受益。

Thank you in advance for your generous support! ARISE Parents Fundraising Team

Wishing all those who nurture, all those who care, all those who mother, and tend to and support the wellbeing of all our children a peaceful Mother's Day on Sunday. May the love of God bring joy to your hearts despite happy times or sad times and esp to those who have their mothers far away. You are enough and you are loved. God bless you.

Lavender felt stems made by Naomi Wan

Here's something to think about:

“A mother’s job is to teach her children not to need her anymore. The hardest part of that job is accepting success.”
