This newsletter is unashamedly a celebration of the many sports we promote in our Middle Years. As I write this a team of enthusiastic Year 7 and Year 8 competitors are at Matamata Sports Camp for a week of high-intensity events. In late August our students get to go to AIMS games- commonly referred to as the Junior Olympics of School sports. Well done to the **Year 7 and Year 8 Rugby** teams who played some great rugby at the South Eastern Zone tournament on Friday last week. Mr. Anthony MacLeod reported that it was a 'great day of rugby for our boys'.

Below is a photo of Mia Henning one of our high-performing gymnasts who achieved first place in Rhythmic Gymnastics at the NZ Secondary Schools Gympsots Championships. Well done Mia, we are so proud of you.

This newsletter has a round-up of the recent cross country.

Cross Country

We had a delightful sunny day with almost all our students being able to participate in our Middle Years cross country event. A massive thank you to the many parents who came out to support students and esp. to Mr. Richard Wagener who provided tremendous logistical planning and support to Mrs. Kim Borthwick for a very well-run event. The teams' addition has enabled more participation running than the individual event.

Cross Country = the mud run...
