POLICE VETTING

As with any class trips and/or activities planned (for example helping during our cultural week) - all volunteers are required to hold a current police clearance.

If you are unsure of your current police vetting status, please check with our admin staff. If you are not police-vetted via our school as yet, please note that this takes a few weeks to process and we would encourage you to do this as soon as possible.

What you need to do to get vetted:

- Come to the school office with 2 forms of Identification for example: your passport and driver's license.
- Fill in the form at the office and pay for the processing fee for the vetting.

If you are interested in contributing to our Cultural Day activities please come to the office to fill in the forms for vetting as soon as possible, as it takes a few weeks to process them. After you have received your vetting, I will be in contact with more information about our culture week.

Schoology & Live Gradebook

At Elim, we want to make it as easy as possible for you as a parent to be highly involved in your child's learning. Schoology, our world-class learning management system, is one of the ways that help us do this better than ever before.

To access Schoology you will need to create a parent account and then enter a 12-digit code to connect your account to your child's account.

The 12-digit code for each child has been emailed to parents and caregivers previously. If you have not received it, or need help with getting connected, please contact the office at golflands@elim.school.nz

Join the GCMY Parents Group on Schoology using the code [FT7P-7BSZ-VNBZ3](#) so you can keep updated.

In the Middle Years, instead of issuing traditional mid-year and end-of-year reports, parents can login to Schoology at any stage during the year and access the Live Schoology Gradebook. This is a continuous record of your child's learning which can be printed out or downloaded and saved as a PDF file.

Please view the Parent Guide to Schoology for detailed instructions on how to create your account, access your child's learning information, and download a copy of your child's live gradebook:
