

A FUTURE & A HOPE

GOLFLANDS CAMPUS MIDDLE YEARS

Kia ora Parents, Caregivers & Whānau,

Another busy but brilliant fortnight has passed at the Middle Years.

Our Inflatable Day Fundraiser was a huge success. The Golflands Campus was able to raise a combined total of **\$42,090!** That is a truly astonishing amount of fundraising that has all come from the hard work of our student fundraisers and the generosity of our wider school community. Thank you to everyone who fundraised, or gave some donations. A huge thank you also goes out to the ARISE PTA team who have been doing a lot of hard work behind the scenes to make this fantastic event happen so smoothly, special thanks to Mrs Aimee Metcalfe, Mrs Laura Vosloo and Mrs Sharlene Sampson for your dedication to this cause, and thank you to all our parent helpers who were available on the day to help with the fun activities.

We look forward to the new initiatives that can now be started around the Golfland Campus.

Well done to all our Year 10's who sat their Co-Requisite exams this week. The Literacy Writing exam this morning was the final of the three exams, with the other two being Literacy Reading and Numeracy. Results will start to be published at the end of the term from .

Thank you to Mrs Anna Burgess and Mrs Angeline Hubert for your help in organising and preparing students for these important examinations, as well as a big thank you to all our teachers who played a part in helping to set these students up for success.

On Monday we have our Middle Years Cross Country event. This is an event for all Middle Years students. Students are to come to school in PE gear or active wear that represents their whānau house colours. It would also be wise to bring a change of clothes in case they need to change after their race.

If the weather looks problematic for the day, a notice will be sent out in the morning and our save date is next Wednesday (28th May).

God bless and have a wonderful weekend!

WHAT'S GOING ON AT THE MIDDLE YEARS

ARISE PTA INFLATABLES DAY FUNDRAISER

Last Friday was a day to remember for 2025. Thanks to the amazing effort of the ARISE PTA we were able to hold our Inflatables Day Fundraiser event. Our Middle Years students all got to enjoy the afternoon rotating through 12 different stations. Each station had fun challenges or inflatable gauntlets for everyone to run through. Take a peak at some of the excitement in the photos below.

WHAT'S GOING ON AT THE MIDDLE YEARS

ARISE PTA INFLATABLES DAY FUNDRAISER - Finale assembly

Today we held our fundraiser grand finale assembly to celebrate the students and classes who raised the most during the fundraiser.

As mentioned above, the Golflands Campus was able to raise a combined total of \$42,090! That is a massive achievement which is going to see some great initiatives started around the campus.

Of that total, the Middle Years raised just over \$17,500! I did promise the school that if the Middle Years was able to raise \$20,000 I would shave my head... maybe next time! We did also tell the students that for every \$3000 raised by the Middle Years, 1 teacher would get slimed at the finale assembly, and of course, our teachers stayed true to their word (see the evidence below!!) Thank you to Mr Hutchinson, Mr Gray, Mr Gedge, Mrs Seymour and Mr Adamson for being such good sports.

A huge congratulations also needs to be extended to the students of G7D who took out the prize for the class which raised the most money, their prize is a movie afternoon catered with a whole bunch of delicious snacks.

The next big congratulations goes to Alexia Neumann who took out the prize for the most funds raised out of all students, ka pai Alexia on your hard mahi.

I'd also like to recognise some star fundraisers from the Middle Years - Gabriella Gunawan, Nikisha Chandra, Zachary Tucker, Josiah Teremoana and Aiden Mathews who were all in the top 10 fundraisers.

I am so proud of the Middle Years students for being able to achieve this significant amount of funds raised. We have plenty of ways that we are going to be celebrating them for all their hard work - more will be revealed soon! I look forward to seeing our funds being used around the school.

A big Thank You to our generous sponsors!

Your support made our Obstacle Fun Day fundraiser possible!

STUDENTS ON SITE AFTER SCHOOL HOURS

We have a wonderful range of sports trainings happening after school on most days of the week.

If your child is involved in one of these trainings the coaches on site will be there to look after them for their training. Please note however, that siblings of children who are involved in afterschool activities are not to be left unattended on the school site. This is a major safety concern.

Any student who is not involved in afterschool activities should be picked up from the school by 3:30pm.

Thank you for your understanding.
