Dear Parents/Caregivers,

GCMY Student Led Conferences 2025

Every year the Middle Years holds Student-Led Conferences for our students to share with their whānau about their learning and achievements at school. Over the last few years the SLCs have become an essential learning milestone for our students who diligently prepare a showcase of completed work to share with you. At the conferences, students are expected to talk about their strengths, learning goals and their faith journey.

We believe the process of preparing for and presenting to you at these conferences is an essential part of your child's personal development. As such we ask you to make it a priority to book ONE session and attend this session with your child and their chosen teacher.
