

23 March 2023

Kia Ora one and all

It has been great to see photos and videos of the recently held Y7/8 camp. Thank you, parents, for your support to make this incredible event happen.

### **Traffic**

I have appreciated the care parents are taking when dropping off and collecting children from our Golflands Campus. I trust this will always happen. Not only do we support the legal rules on the road but most importantly we support the health safety of all our school community at such busy times in the day.

### **From our amazing Arise-PTA.....**

Next term we are very excited to be launching our Elim Christian College '**Move and Run Day**', an online sponsored fundraiser, **Friday 26 May** just for Golflands Campus.

There will be some exciting prizes up for grabs including spot prizes just for getting involved, top fundraiser prizes and even an exciting top team fundraising competition! There will be fun activities for the kids to do at each station as they move and run.

Students will be able to sign up to our fantastic fundraising website and share their fundraising page with friends and family all over the world! All funds raised will be used to **purchase shade sails and umbrellas** for various locations around our Golflands Campus. The more money we raise, the more areas we can cover benefitting all our Golflands students!

We can't wait for this event which will be sure to be a highlight on our school calendar. **We are also seeking local businesses/families who would like to get involved and sponsor an obstacle or prize for our awesome event!** We can showcase your organisation on our fundraising website, in our newsletter and even brand the obstacle with you on the day! If you know anyone that might be keen to support our school, please ask them to get in touch. Also, we need some help on the day.

We need parents to help design, set up and even run a station or help in all sorts of ways with planning - please can you contact Laura or Sharlene [lauravosloo@gmail.com](mailto:lauravosloo@gmail.com). Families... watch this space for more info coming soon!
