Dear Parents / Caregivers / Whānau

**HPPA Netball Field Day Tournament 2024 (Interest Letter)**

We are looking for expressions of interest for students (Boys and Girls) in Year 4 - 6 to represent Elim Christian College at the HPPA Netball Field Day Tournament which is held on Tuesday 21st May 2024.

***Please note:** This is just an expression of interest. Depending on the number of students who register their interest, will determine if we have enough students to form a team/s. An email will be sent with information, once interest registrations have closed.*

**This tournament is more social in nature and we encourage those students who would like to give Netball a go to register their interest. Prior experience or knowledge is not required. The HPPA Field Day tournaments are run with the purpose of providing students the opportunity to give a sport a go.**

**For those more experienced players, there will be an opportunity for a competitive tournament to register your interest in Term 3.**
