Dear Elim families

HOST FAMILY INTEREST FORM

Elim Christian College is excited to welcome back International Students in the coming months and 2023.

We are looking for families that may be interested in hosting International Students while they study at Elim Christian College. Hosting an International Student can be a rewarding experience for the whole family and our International Department provides support to host families and students throughout the duration of their stay. Families need to be available to spend time with their students and English needs to be the first language spoken at home.

Some of our students are here for short-term study while others are planning on studying through to the end of their schooling, therefore we are looking for families who can host students for short periods of a few weeks or for a year or more.

If you would be interested in becoming a Host Family for Elim Christian College and would like more information, can you please complete the following google form.
