Kelly Club Elim Term 2 2022

By Brendon Vernal

Greetings parents and caregivers, we hope you are all keeping well. Term 2 has been a time of increased normality and entailing business! As Covid numbers are dropping across New Zealand (still present but dropping!) we are seeing our attendance increasing and we are thankfully getting to shift our focus less on Covid risk management and more to other important areas as we continue to develop the best programme we can offer.

For me all of the ongoing relationships have been and will continue to be what is most important to me; working with Elim School, with all of the Parents and Caregivers (who can now come into the school and the hall again!), within our Kelly Club Team, with other Kelly Club Franchises, with Kelly Group, and of course, especially working with the children and nurturing their healthy development is what I enjoy and value most about this term (and most terms).

It has been a term of continued growth and I eagerly look forward to continuing to focus on ongoing development in myself, our Kelly Club Elim team, and in our facilitating the children to develop socially, emotionally, spiritually, academically, in taking on the ELIM ARISE culture, and in all areas.

Term 2 Highlights

Our Massive Board Game Tournament Days have been a big hit. Chess is a classic that many of the children enjoy but we introduced Mancala which continues to be surprisingly popular and despite being a game that was foreign to most of us (myself included) after understanding the rules of the game it is a game that is great because even the younger ones are able to play but it takes a lot of practice to master! There are too many fun activities to mention here but if you want to see more highlights please have a look at our Facebook page @KellyClubElimChristian

April Holiday Programme Highlights

Pointillism Painting, Kelly Club Who Wants to be a Millionaire, Epic Nerf Challenges, Big Scavenger Hunts, Dance Competitions, Giant Beanstalks, and a range of creative cooking activities! As usual, our most recent Holiday Programme was full of fun and adventure for everyone!

Upcoming July Holiday Programme

Our July Holiday Programme has recently opened and bookings are coming through quickly - please do not hesitate to get in touch if you have any questions!

Please note we do have specific child-staff ratios that we must maintain therefore to guarantee any bookings please book earlier rather than later to guarantee a spot.
