How you can be involved!

1. Please go through the programme at home and use the topics as discussion points. This will help your children as they have conversations about culture throughout the week.
2. Please help your child to prepare something to wear, that reflects their cultural identity, for Thursday. We encourage all students to participate in this.
3. Please prepare a small plate of food for your child to share with the class or tutor group on Thursday at lunchtime. This will be for students only.

Thank you to the families who have been decorating our school. It is looking vibrant and welcoming.

If there is something else that you would like to contribute to the week, please feel free to get in contact with your child's classroom or tutor teacher.
