Dear Murray

Managing National Assessment Report

Enclosed is a copy of the report summarising the findings of the 2023 Managing National Assessment review for Elim Christian College

Now that the report is final, it will become available to the public via the *Find a School and its MNA report* link on NZQA's website.

The review found no significant issues. In combination with the most recent Education Review Office report, it confirms the school is meeting the requirements of the *Consent to Assess Against Standards on the Directory of Assessment Standards Rules 2022* and its Guidelines.

Based on the findings in this report it is anticipated the next Managing National Assessment review will be conducted within three - five years.

Yours sincerely

F. Moran
