Dear Murray

### **Managing National Assessment Report**

Enclosed is a copy of the report summarising the findings of the 2019 Managing National Assessment review for Elim Christian College.

Now that the report is final, it will become available to the public via the *Find a School and its MNA report* link on NZQA's website.

The review found no significant issues. In combination with the most recent Education Review Office report, it confirms the school is meeting the requirements of the *Consent to Assess Against Standards on the Directory of Assessment Standards Rules 2011* and its Guidelines.

Based on the findings in this report it is anticipated the next Managing Assessment review will be conducted within three years, as outlined in the letter to your Board of Trustees Chairperson.

Yours sincerely
