

Wednesday 8 March 2023

NCEA INFORMATION EVENING

Dear Parents / Caregivers

We look forward to hosting our NCEA information evening. This will be of particular interest to parents and students involved in NCEA for the first time, and parents who wish to prepare their Y10 students for NCEA.

This event will be held online so that you can connect from home. The presentation will be recorded and shared with you following the event.

Date: Wednesday 15 March

Time: 7:00 - 8:00pm

Link: <https://meet.google.com/jun-ohvv-evv>

During the presentation we will cover the following topics:

- Overview of NCEA
- NZQA website
- Overview of NCEA changes from 2024
- Academic mentoring and monitoring
- Career Pathways and University Entrance

We will also take the time to highlight our Botany Campus staff, including Tutor Teachers, Subject Teachers, Heads of Learning Areas and Whānau Leaders. This will give you the ability to connect with the correct people when required. Our parent-teacher-student conferences will be taking place in Weeks 9 and 10 of this term, which will provide you with the opportunity to meet with specific subject teachers.

Nga mihi,

Stephen Briscoe PgEdL

DEPUTY PRINCIPAL BOTANY (SENIOR YEARS)
