Dear Parent/Caregiver/Whānau

There will be an amazing percussion concert by "Strike!" for the students in our school hall at 2pm on Wednesday, 3rd of July. Founded in 1993, Strike! is a high energy drumming group made up of New Zealand's most outstanding percussionists. Strike! combines elements of theatre, dance, invention and rhythmic intricacy to create powerful and imaginative productions.

This concert is an interactive, high energy 45 minute show drawing on styles from around the world to introduce a broad range of modern percussion. For the 2024 tour, Takumi, Katie-Lee, and Murray will perform a combination of new material and favourite works. Their shows are tailored to suit both primary and secondary students.
