The **Biblical theme** for the term is **God has designed us for a purpose**. Students will learn about the start of the early church through the Book of Acts. They will explore God's purpose for the church, as well as their own individual purpose. In our science unit this term, the students will learn about the Solar System. This will be followed by a trip to the Stardome Observatory at the end of the term. There will be more information about this trip communicated to you later in the term.

Kotahitanga Value: Māia - Courage. We are courageous we show māia.

Elim Exploration: Design (Purpose)

1 Peter 2:9- *But you are a chosen people, a royal priesthood, a holy nation, a people belonging to God, that you may declare the praises of Him who called you out of darkness into His wonderful light.*

Core Knowledge: God has designed you for a purpose

Enduring Understanding: God wants us to understand the purpose of the church and my place in it.

Key Question: How can I find out the purpose God has designed me for?

- **Science:** Planet Earth and Beyond - The Solar System
- **Literacy Focus:** Structured Literacy
- **Numeracy Focus:** Multiplication and Division, collaborative group problem solving
- **Strand Maths:** Geometry- shape, nets, transformation

HOME LEARNING: Guidelines for home learning are pasted in the student's home learning books. Please take time to read these guidelines. Students will receive a home learning sheet every week. Included is a copy of the scripture focus and discussion prompts for families to use at home. Students are encouraged to read for at least 15 minutes a day, and complete their maths That Quizzes. There is also an optional extra task for students to complete, if they choose.

PHYSICAL EDUCATION: Students have one physical education lesson each week where we cover different skills. This term our focus is large balls. We recommend students wear the physical education uniform and bring running shoes for these lessons.

DEVICES/ LEARNING PLATFORMS: Students are required to bring a **fully charged** iPad to school each day. Seesaw is used to communicate notices with parents. More formal information will be sent through emails. Please ensure you have the Seesaw notifications turned on. Year 4 students will be using Seesaw on a regular basis to showcase their learning. The Year 5-6 students use Google Classroom to post digital work. Any learning they are particularly proud of will be posted to Seesaw for families to see.

KOTAHITANGA: Elim is a Kotahitanga - PB4L school (Positive Behaviour for Learning). Our classroom management systems are based on Elim Christian College values and uphold the special character of our school. We use a tino pai (traffic light system) to reward students based on the Kotahitanga values. The focus in Term 2 is Māia (courage) so students will be learning what courage looks like in various school settings. All students start on a green light and have the potential to move to the purple 'tino pai' light for outstanding behaviour. Any student not adhering to classroom expectations will receive an orange light warning (a chance to change their behaviour). If the behaviour continues, an orange light is given. Where there are patterns of negative behaviour, parents will be informed.

UNIFORM: All items of school uniform may be worn as appropriate to the weather conditions. Refer to the school website for requirements - <https://www.elim.school.nz/uniform/>. Please ensure that all items are **clearly named**.

Please note: Long-sleeved polo shirts/regulation track pants may be worn in Terms 2/3.

WASTE MANAGEMENT AND MINIMISATION: All students are required to take their morning-tea and lunch wrappers, uneaten food, etc. home with them. They cannot dispose of it at school. The recycling bins at Mt Albert Campus have little provision for landfill items and food scraps. We would still like to strongly encourage all our parents to pack lunches in reusable containers and to buy in bulk.

AFTER SCHOOL CARE: Carpe Diem Kids provides after school care off-site. Students are picked up from school in the afternoon and taken to the programme. Information about this service can be accessed via their website - <https://carpediemkids.co.nz/>

PARENT HELP: The school operates on the Ministry of Education's best practice. We have class trips and activities planned for this year. These cannot go ahead if the adult to child ratio is not met. All volunteers are required to hold a current police clearance. If you are unsure of your current police vetting status, please check with our admin staff. If you are not police-vetted via our school as yet, please note that this takes a few weeks to process.

Notices: *To keep you up to date, Parents please refer to our school website where you can check notices and our current school calendar. If you are not receiving these notifications, please contact Mount Albert Campus Office.*

We have an open-door policy. Teachers are in staff devotions until 8:30 am. They are available in their classroom to answer questions and to chat about minor issues from 8:30 am – 8:40 am and again after school. Alternatively, if you would like the time to talk further, please make an appointment with the teacher. They will be more than happy to discuss the matter with you.
