Due to the nature of this competitive event, please understand that not all students will get the same amount of game time. We do have subs and will try our best to allow everyone a fair amount, but as this is a highly competitive tournament it will be up to the discretion of the coach to select the players they see fit to play each game. Both attitude and skill will be considered for these decisions.

Further information will follow regarding gear requirements.

Should you have any queries at all, please do not hesitate to email me.

Yours sincerely

Mrs Kim Borthwick
