### **WORLD VISION YOUTH CONFERENCE**

Dear parents and caregivers,

Our World Vision student leaders have been invited to attend the World Vision Youth Conference 2023. We will have the opportunity to learn about this year's World Vision 40-hour challenge and how we can facilitate fundraising for this in our school.

"The World Vision Youth Conference will engage your students in social justice issues, spur them on with inspiring speakers, give them tools to create change and guide them to put their leadership skills into action."
