

Kia ora,

OPPORTUNITY TO CONNECT WITH NCEA HEADS OF DEPARTMENTS

Following our NCEA Subject Information evening and not being able to be back onsite we would like to invite Y10/11/12 students and parents to an opportunity to meet with NCEA subject teachers online. This is an opportunity for you to ask questions about a specific subject you are interested in taking in 2022 or would like to seek clarification about.

Please use the links below to join the specific video calls. We will begin at 2:00pm with a brief overview of subject selection for students before you have the opportunity to connect with teachers of your choice.

When: Tuesday 21 September

Option selection key information with Mrs Pottow, Mrs Narayan and Mrs Protheroe
