SUBJECT OPTIONS 2023

Dear parents and caregivers,

It is time for our Y10-12 students to choose their subject options for 2023, with support from their parents. Students will need to sign into Google using their Elim student email address in order to complete the form.

If your child is new to Elim, please email your option preferences to:

Nigel.Cato@elim.school.nz

The form needs to be completed by your child, with the parent declaration filled in by you, by Thursday 8th December.
