

**Permission Form  
Y12/13 Physics to Rainbow's End 2023**

10 August 2023

Dear Parent / Guardian,

Our Year 12 and 13 Physics classes have been given the wonderful opportunity to spend a full day at Rainbow's End Theme Park in Manukau City Centre.

We will have the opportunity to see how the physics laws are used in real life – and have plenty of fun on the rides as well. While at Rainbow's End, students have the option of gathering information to complete the internal assessment 2.2/3.2 by investigating one for the rides. Please note that students can also complete this internal assessment at no cost by alternative means.

This trip is optional. Participation will cost \$55.00 per student and will be invoiced via KAMAR to enable you to pay this via the parent portal. If you do not know how to access the portal, please email [accounts@elim.school.nz](mailto:accounts@elim.school.nz)

**Date:** Friday 22 September

**Cost:** \$55

**Arrive:** 9:50 am at Rainbow's End

**Depart :** 2:30 pm from Rainbow's End

**Transport:** Students are to arrange their own transport to and from Rainbow's End as per times above. We have limited seats available in school transport.

Students will need to come in mufti and bring a packed lunch. There will be variety of dining options on-site if students wish to purchase.

Please complete the online form below to give permission for your child to attend by Friday 8 September:
